Propagation Endorsement

(1) A producer licensee may apply for a propagation endorsement in order to grow additional immature marijuana plant canopy as defined by these rules.

(2) Application. A producer applying for an endorsement under this rule must **attest** that additional immature marijuana plant canopy is required for the production of immature plants for sale to other licensees.

(3) Denial and Revocation. The Commission may deny a producer's request for an endorsement or revoke the endorsement. If the Commission denies or revokes the endorsement, the producer has a right to a hearing under the procedures of ORS chapter 183.
