OAR 845-006-0335(1)(a)(b)(c)– On or about April 12, 2025, Licensee My Thinh Cong Phan failed to verify the age of Owen Lundgren, a minor, before allowing them to buy or be served an alcoholic beverage, when they reasonably appeared to be under 26 years of age.

(1st Level Category II (b))

Note: Licensee was charged with the violation by Notice dated April 22, 2026. The total proposed sanction was a 14-day license suspension or a \$3,500.00 civil penalty. Licensee wishes to enter into this settlement agreement.

AGGRAVATION

Commission staff aggravated the violation by four days or \$1,000.00 because the violation was intentionally committed by the Licensee.

TERMS OF AGREEMENT

1. This Settlement Agreement resolves only the violation(s) identified in the Notice.
2. Licensee admits the facts described in the Notice and accepts responsibility for the violation described in the Notice. This was Licensee's first Category II(b) violation within two years. Any subsequent Category II(b) violations within the same two years will be charged starting at the second level. Upon execution and final approval of this Settlement Agreement by the Commission, this violation shall become a permanent part of Licensee's Commission file and may be considered in any future application for any license or permit by the Licensee.
3. The standard sanction for the violation described in the Notice is a 10-day license suspension or a civil penalty of \$2,500.00. Commission staff determined that Licensee personally committed the violation. *P-Mart*, OLCC-92-V-098, April 1993. Additionally, staff determined that the violation was intentionally committed. OAR 845-006-0500(8)(e)(E). Accordingly, the Notice proposed aggravating the penalty by four days or \$1,000.00. The Notice proposed a total penalty of a 14-day license suspension or a \$3,500.00 civil penalty.
4. As an alternative to the proposed penalty in the Notice, Licensee will have the option to install age verification equipment (AVE) by August 3, 2026. In the event Licensee installs AVE, Licensee will utilize the equipment to verify the age of every patron who reasonably appears to be under 26 years of age. All alcohol sales will be run through registers at which AVE is installed. Installation of AVE that meets all standards set forth in this agreement and in OAR 845-009-0140(2) is done in lieu of 10 days of the suspension or \$2,500.00 of the civil penalty. If Licensee chooses to install AVE as outlined in this paragraph, Commission staff will certify that the AVE meets all of the standards identified by OAR 845-009-0140(2) by August 10, 2026. Licensee understands that it is eligible for a credit for installation of AVE only one time, that the equipment is expected to remain in good order, and that the equipment must be used according to the terms of this agreement for as long as Licensee has a liquor license at this premises. Licensee understands that failure to use the equipment, whether by human error or malfunction in future violations, may result in increased penalties and, if applicable, removal from the Responsible Vendor Program.

If AVE is installed by August 3, 2026, and certified by Commission staff to meet all of the standards identified by OAR 845-009-0142(2) by August 10, 2026, Licensee shall either pay a \$1,000.00 civil penalty before 5:00 PM on August 17, 2026, **OR** serve a four-day suspension beginning at 7:00 AM on August 24, 2026 and ending at 7:00 AM on August 28, 2026.

If OLCC notifies Licensee that Licensee has violated a rule or statute while under suspension, Licensee will be given the opportunity to contest the alleged violation in a contested case proceeding and the appropriateness of OLCC's decision to deny, suspend, or revoke the license or impose civil penalties.
