SYNOPSIS: Applicant has five violations for driving while her license was suspended and one violation for failing to carry proof of insurance, which constitute violations of general or local laws that are substantially related to the fitness and ability of the applicant to lawfully carry out activities under the license and are therefore a basis to deny the license. The last violation occurred in May 2019. Applicant was granted another license with the identical restriction in January 2020, and has been operating since that time.

TERMS OF AGREEMENT

1. The Commission will issue Applicant a Full On-Premises Sales license with the listed restriction for the above location after this agreement is ratified and after Staff determine that the application is complete.
2. Applicant accepts the imposition of the listed restriction on the license identified in this agreement without any conditions or reservations.
3. Applicant waives any and all rights to a contested case hearing under the Administrative Procedures Act (ORS Chapter 183), to judicial review, and to otherwise challenge this agreement or the Final Order resulting from it.
