Licensee Requirements

(1) ORS 471.542 requires applicants to complete an approved alcohol server education course to qualify or requalify for certain licenses. After an applicant completes an approved alcohol server education course and passes the exam, the applicant has met the alcohol server education requirement for any license issued within five years from the completion date. The licensee must again complete an approved course and pass the exam before the Commission will issue any license for a licensing period that begins after the date this five year period expires.

(2) When the Commission issues a license in the name of a corporation, limited partnership or business entity other than individual persons, the licensee must designate a person or persons (depending on business structure) to take the course and pass the exam on the licensee's behalf. The designee must have the authority to set, implement or change the licensee's practices for selling and serving alcoholic beverages. The licensee may change its designee. If the designee no longer qualifies to act on the licensee's behalf, the licensee must appoint a new designee within 20 days. The licensee must give the Commission written notification within ten days of the appointment. The new designee must take the course and pass the exam within 45 days of appointment.

~~(3) A license applicant must include the alcohol server education administrative fee with each initial application and with each renewal application. The alcohol server education administrative fee for annual licenses is \$2.60.~~
