Oregon’s Bottle Bill

Included Beverages

Most beverages have an Oregon refund value. There are too many beverages on the market to list them all individually. Below is a list of beverages that are commonly asked about that have an Oregon refund value.

**Included**, but only if they are in sealed glass, metal, or plastic bottles or cans in the following sizes:

**Beverages in sizes 3 liters or less**
- Soda (carbonated/sparkling beverages)
- Beer and other malt beverages
- Water
- Kombucha*
- Hard Seltzer*

*These beverages are currently redeemable even though they may not have OR 10¢ on the container. The deadline to include OR 10¢ is January 1, 2021.

**Beverages in sizes from 4 ounces up to and including 1.5 liters:**
- Coffee/tea (even if they contain milk)
- Energy and sports drinks
- Fruit and vegetable juice (does not have to be 100%)
- Smoothies and shakes
- Aloe vera juice
- Coconut water
- Non-alcohol wine
- Drinking vinegar
- Hard cider if 8.5% ABV or less
- Marijuana beverages
- Muscle Milk
- Protein shakes (unless marketed as a liquid meal replacement)
- Ready-to-drink cocktail mixers, like margarita mix or bloody Mary mix

**Rule of Thumb:**
Generally, if you can pour it and drink it, it’s covered **unless**:
- It’s one of the specifically excluded beverages (distilled spirits, wine, dairy milk, plant-based milk, infant formula, and liquid meal replacements).
- It’s in a carton, foil pouch, drink box, or metal container that requires a tool to be opened.
