

## **INTRODUCTION**

### **What are the qualifications to obtain a Direct Shipper permit for Nonprofit Trade Association?**

- You must be a nonprofit trade association and more than 50% of your members are Oregon Winery licensees and/or Oregon Grower Sales Privilege licensees, and
- You must hold a valid Oregon Temporary Sales License.

### **What are the privileges of a Direct Shipper permit for Nonprofit Trade Association?**

A Direct Shipper permit allows certain people to deliver malt beverages, wine, or cider directly to a resident of Oregon. A Direct Shipper permit **does not** allow the holder to ship malt beverages, wine, or cider directly to an Oregon retail licensee.

### **What are the definitions in Oregon for cider, malt beverage, and wine?**

- **Cider** is made from the fermentation of the juice of apples or pears that contains not more than 8.5% alcohol by volume, including, but not limited to, flavored, sparkling or carbonated cider.
- **Malt Beverage** means beer, ale, porter, stout and other similar fermented beverages that contain more than one-half of one percent and not more than 16% of alcohol by volume and that are brewed or produced from malt, wholly or in part, or from rice, grain, bran, glucose, sugar or molasses as a substitute for malt. Malt beverage does not include cider, mead, sake or wine.
- **Wine** is made via the fermentation process, is not a cider or malt beverage, and contains not more than 21% alcohol by volume. Note: Cider containing more than 8.5% alcohol is considered wine

### **What is the fee for a Direct Shipper permit?**

The fee is \$100 per calendar year regardless of how many types of alcohol you are approved to ship.

### **For what period of time is a Direct Shipper permit valid?**

A Direct Shipper permit expires on December 31 of each year. Every year you must renew the permit and pay the \$100 fee to maintain a valid Direct Shipper permit. The OLCC will mail you a renewal application every year.

## Bond Waiver Certification

The OLCC may waive the required surety bond for licensees or permit holders that meet specific criteria. **If you qualify for a waiver, complete the certification at the bottom of this form and submit it in lieu of a surety bond with your initial permit application and/or renewal application.**

This waiver will need to be received and approved by the OLCC **PRIOR** to your license or permit being issued or renewed.

If you have questions about the privilege tax bond or waiver, please email [OLCC.Bonds@oregon.gov](mailto:OLCC.Bonds@oregon.gov).

As per Oregon Revised Statute (ORS) 473.065 (4), unless the OLCC determines that a licensee or permit holder presents an unusual risk for nonpayment of any license fees, privilege taxes, agricultural products taxes or other tax, penalty or interest imposed under this chapter or ORS chapter 471, the OLCC shall waive the bond required under ORS 471.155 (1) for the licensee or permit holder if:

(a) The licensee or permit holder was not liable for a privilege tax under this chapter in the immediately preceding calendar year and does not expect to be liable for a privilege tax under this chapter in the current calendar year; or

(b) The licensee or permit holder of a business established during the current calendar year does not expect to be liable for a privilege tax under this chapter in the current calendar year.

ORS 473.050 (5) **No privilege tax** shall be levied, collected or imposed upon the first 40,000 gallons, or 151,000 liters, of wine sold annually in Oregon from a United States manufacturer of wines producing less than 100,000 gallons, or 379,000 liters, annually.

Unusual Risks:

1. Non-reporting: licensee or permittee has not filed its privilege tax statements or its Oregon Wine Board statement by the required due date.
2. Licensee or permittee checks returned to OLCC for non-sufficient funds.
3. Any activity that is noncompliant with Commission statutes or rules.
