Line 23 Inventory (Bulk) at end of Year - the actual bulk inventory on hand at the end of the year

Line 24 Total Accounted For - Add lines 13 through 23

Line 12 and Line 24 Should Match Exactly

A physical inventory count is to be taken each month on bottled wine and annually for bulk wine. The inventory documents must be signed by the person responsible for the Inventory count, retained and made available for examination by State Auditors.

The Oregon privilege taxes accrue on all wine withdrawn from bond; therefore, wine from own manufacture in a tax paid room, bottling plant, or rectifying plant must have been reported as taxable at the time it was transferred.

This form should be prepared in triplicate: Two copies to OLCC. One copy for your records
