A minor entertainer is a person, age 18-20, whose primary activity while on the licensed premises is to entertain.

***Minor entertainers under the age of 18 are juvenile minor entertainers and require a separate approval process.**

I am requesting approval for minor entertainers, age 18-20, to be on my licensed premises in an area where minor patrons are prohibited.

I understand that:

- When on the premises, minor entertainers must either be:
 - Performing in an approved area where minor performers are allowed, such as a stage or another area of focus.
 - In an area where all minors are permitted under OAR 845-006-0340. Examples may include a break room, dressing room, or rest room.
 - Moving between these approved areas.
- If not performing AND not in an area permitted to minors or otherwise approved by the Commission, the minor is prohibited from being on the licensed premises.
- "Performing" does not include such things as soliciting dances, selling merchandise, selling tickets or taking money for a performance, operating stage equipment such as lighting or sound equipment, obtaining food or drinks, eating or drinking, playing entertainment devices, mingling with patrons or staff, loitering, or other activity not commonly associated with entertaining.
- When a minor entertainer is on the premises as allowed but not performing in a Commission-approved, designated area, alcoholic beverages are prohibited in the Commission-approved, designated area.
- Minor entertainers may not go between or be in an area where minors are prohibited, such as a bar, service counter, DJ booth, or any other area prohibited to minor entertainers as shown on the floor plan, dated _____
- Minor entertainers may not stand or sit at the bar and may not stand, sit, or play video poker machines.
- I must verify the minor entertainer's identification and age, maintain proof of this information on the premises and make it available for Commission inspection upon request.

By signing below

- I attest that I have read OAR 845-006-0335(6). I understand that failing to get approval or following OAR 845-006-0335(6) may result in a violation.
- I have completed and attached the floor plan that shows the area where minor entertainers are allowed (both when performing and when not performing) **AND** have included a written description of these areas; including how minor entertainers will be monitored when performing and moving between a performance location and the approved, designated area.
- I understand that I am not approved to have minor entertainers until I have met with my inspector to have my plan finalized and approved.
- I acknowledge that the Commission may refuse or revoke this request, without hearings rights, if I fail to follow the requirements of the rule or if there is reasonable belief that conditions exist which do or could cause or contribute to a serious danger to the health and safety of minors.
