

# Oregon Liquor & Cannabis Commission Advisory Committee Meeting

## Agenda

### Marijuana Violation Reclassification (SB 408) Rules Advisory Committee

Prior to the passage of 2021 SB 408, the OLCC engaged with industry partners to scope the violation reclassification project. Many of the violations listed in Oregon Administrative Rule chapter 845 division 25 were written in 2015 and reflected the inaugural program and the looming concerns of federal intervention. As the industry has matured and the concerns of federal intervention receded, the agency decided it was time for a holistic review of the violation and sanction schedules. Working with industry partners the OLCC approached the violation reclassification using a phased methodology, which was an explicit acknowledgement that the project would stretch over many cycles of rulemaking. This rulemaking package includes various violation changes outlined for the agency to follow in 2021 SB 408, codifying in rule marijuana recall policy and additional changes to make the OLCC administrative rules more accessible and easier to comply with.
