Section 2 – Requirement to be Waived

Identify the specific requirement you are requesting to be waived. You will need to include the applicable section of rule under OAR 845-025-1400 to 845-025-1470, the full text of the rule, the reason you are requesting the waiver, and a proposed alternative that meets the intent of the specific requirement stated in the rule.

To request waiver of additional security requirements, complete additional waiver request forms. A separate waiver request is **required** for each security requirement you are asking the Commission to waive.

I am requesting a waiver of the requirements under this specific rule and subsection(s):

Section 3 – Reason for Request

I am requesting this waiver because:

If you are requesting the waiver because a state or local law prohibits the specific measure, identify the specific law and how it prohibits your business from meeting this requirement. If an exception is allowed by permit, document any attempts to obtain such a permit. Attach supporting documentation if needed.

If you are requesting a waiver because you believe compliance with a particular security provision is impossible due to circumstances beyond your control or would be cost prohibitive, clearly document how that is the case. Attach supporting documentation if needed.
