

OREGON LIQUOR CONTROL COMMISSION

Supplemental Form:

Processor Medical Purposes Registration

What is this form?

A recreational marijuana Processor may register with the OLCC for the privilege to process and sell marijuana for medical purposes. A Processor who registers may make medical-grade cannabinoid products and sell those products to other Processor, Wholesaler, or Retailer licensees that are registered to sell those items.

Section 2 – Acknowledgement

A registered Processor **may** manufacture cannabinoid products with higher concentrations of THC as described in OAR 333-007-0220.

A registered Processor **may not** purchase medical marijuana items from a medical marijuana grower, processing site, dispensary, caregiver, or patient. All marijuana items obtained by any OLCC licensed recreational marijuana Processor must be obtained only from other OLCC recreational marijuana licensees.

A registered Processor **may not** sell medical-grade cannabinoid products to anyone other than a licensed OLCC recreational Wholesaler, Processor, or Retailer that is registered with the OLCC to sell marijuana for medical purposes.

A registered Processor **must** separate medical-grade cannabinoid products and must separately package and label those items subject to the packaging and labeling requirements and must clearly identify those items as medical-grade.

I WISH TO REGISTER TO SELL MARIJUANA FOR MEDICAL PURPOSES. I acknowledge that I have read OAR 845-025-3300, including the requirements summarized above.
