

OREGON LIQUOR CONTROL COMMISSION

Control Study Certification Form

OAR 333-007-0440

INSTRUCTIONS for completing this form:

- For RECREATIONAL marijuana processors, complete a copy of this form for each product subjected to a control study. The form should be submitted to marijuana@oregon.gov. Associated test results or other documentation may be requested by the Commission to verify the responses contained in this form.
COMPLETE EVERY SECTION OF THIS FORM LEGIBLY. Incomplete or illegible forms will be returned to the licensee and will not be reviewed by OLCC until deficiencies are corrected.
No blanks should be left in the form. The Laboratory Representative completing this form should write "NOT APPLICABLE" or "NA" in any section they believe is not applicable to the testing of the particular product.

Form with fields: Primary Laboratory Testing, Secondary Laboratory Testing (if applicable), Licensee Name/License Number, Product's Commercial Name, Product Description (Flavor, weight, extraction type, etc., as applicable), Process Lot # associated with control study, Batch Size, # of Sample Increments, Product Type (Concentrate, Extract, Cannabinoid Product), Control Study Test Performed (Pesticides, Solvents, THC concentration Target THC).

LABORATORY CERTIFICATION:

The Laboratory performing a control study pursuant to OAR 333-007-0440 must complete each of the below sections.

Table with 3 columns: Certification, Initials (or "NA"), Date. Rows include: I certify that the number of sample increments taken meet the requirements of OAR 333-007-0360, Exhibit B. I certify that all pesticides listed in Exhibit A, Table 3 to OAR 333-007-0400 were tested for.

Control Study Certification Form

OAR 333-007-0440

Certification (continued)	Initials (or "NA")	Date
I certify that all pesticide testing results were below the action limits set in Exhibit A, Table 3 to OAR 333-007-0400.		
I certify that the Limits of Quantifications ("LOQs") for each pesticide tested for are below the action limits set in Exhibit A, Table 3 to OAR 333-007-0400.		
I certify that all solvents listed in Exhibit A, Table 4 of OAR 333-007-0410 were tested for.		
I certify that all solvents tested for were below the action limits set in Exhibit A, Table 4 of OAR 333-007-0410.		
I certify that the Limits of Quantifications ("LOQs") for each solvent were below the action limits set in Exhibit A, Table 4 to OAR 333-007-0410.		
I certify that the total THC range detected during testing is:		
I certify that the total THC values were accurately calculated pursuant to OAR 333-064-0100, that the Relative Standard Deviation (RSD) of the total THC was accurately calculated, and that the RSD is below 30%		
I certify that the THC levels do not exceed the concentration limits specified in OAR 333-007-0200 to 333-007-0220.		
I certify that all information contained on this form, and submitted along with this form if requested by OLCC, is accurate, and that the control study is considered as passing.
