True Name on Application; Interest in Business

(1) True name on application. An application for a license must specify the real and true names of all individuals and legal entities that have an ownership interest in the business proposed to be licensed by identifying all such persons and legal entities as applicants.

(2) License privileges. License privileges are available only to the applicants identified in the application and their authorized representatives and only for the premises designated on the license.

(3) Ownership interest. The Commission may refuse to issue a license if the applicant is not the owner of the business proposed to be licensed, a person with an ownership interest is not identified as an applicant, or an undisclosed **or unapproved** ownership interest exists. For purposes of this rule, an "ownership interest" is indicated by the following behaviors, benefits or obligations:

(a) Any person or legal entity, other than an employee acting under the direction of the owner, that exercises control over, or is entitled to exercise control over, the business;

(b) Any person or legal entity, other than an employee acting under the direction of the owner, that incurs, or is entitled to incur, debt or similar obligations on behalf of the business;

(c) Any person or legal entity, other than an employee acting under the direction of the owner, that enters into, or is entitled to enter into, a contract or similar obligations on behalf of the business; or

(d) Any person or legal entity identified as the lessee of the premises proposed to be licensed.
