Registration to Produce Usable Marijuana for Patients

(1) In order to produce marijuana for a patient a licensed producer must register in a form and manner specified by the commission and submit the fee specified in OAR 845-025-1060.

(2) To qualify for registration a producer must:

(a) Submit a control plan describing how the producer will:

(A) Identify the medical canopy and separate the medical canopy from the recreational canopy;

(B) Segregate usable marijuana harvested from the medical plants from the usable marijuana harvested from recreational plants.

(b) Provide the Commission with a scaled floor plan or map specifying where the medical production will occur on the licensed premises.

(c) Provide the Commission with the agreement that meets the requirements of these rules for any patient for which the producer intends to produce usable marijuana under these rules.

(3) Licensed producers who have previously submitted a land use compatibility statement are not required to submit an additional land use compatibility statement when registering to produce usable marijuana for patients.

(4) Licensed producers who were exempt from submitting a land use compatibility statement under these rules at the time of licensure must submit a land use compatibility statement when registering to produce marijuana for patients if the producer's total canopy of mature medical and recreational plants exceeds 5000 square feet for outdoor producers and 1250 square feet for indoor producers.

(5) Upon receiving a registration form, fee and other information required to be submitted by this rule the Commission must verify the information submitted by the producer with the Authority, if applicable.

(6) A registration request will be denied if the producer has not complied with this rule or if any information submitted by the producer is false or misleading.
