Audit, Compliance, and Random Testing

(1) The Commission may require a licensee to submit samples identified by the Commission to a laboratory of the ~~licensee~~ **Commission's** choosing to be tested in order to determine whether a licensee is in compliance with ~~OAR 333-007-0300 through 333-007-0490~~ **the marijuana testing rules found in Chapter 333, Division 7 of the Oregon Administrative Rules or any other rules of the Commission** and may require additional testing that is not required by these rules.

(2) A laboratory doing audit testing must comply with these rules, to the extent they are applicable, and if conducting testing not required by these rules, may only use Authority approved methods, **unless otherwise authorized by the Commission.**

(3) The ~~C~~Commission must establish a process for the random testing of marijuana items for microbiological contaminants that ensures each licensee tests every product for microbiological contaminants at least once a year.

(4) The Commission may exempt a product that has successfully completed a control study in accordance with OAR 333-007-0440 from testing for microbiological contaminants.

(5) **The Commission may, at any time, require a licensee to permit the sampling of or submit a sample of a marijuana item to the Commission for testing. Such testing may include testing for:**

(a) Any microbiological contaminant.

(b) Heavy metals.

(c) Other adulterants, pesticides, solvents, additives or contaminants that may pose a risk to public health and safety, or are prohibited by law.

(6) A licensee shall submit all samples required for testing under this rule within a timeframe established by the Commission.
