(b) Exhibit 1 lists the proposed sanctions for single or multiple violations that occur within a two year period for each category described in subsection (7) of this rule. The Commission may allege multiple violations in a single notice or may count violations alleged in notices issued within the previous two year period toward the total number of violations. In calculating the total number of violations, the Commission may consider a proposed violation for which the Commission has not yet issued a final order.

(c) The proposed sanctions in Exhibit 1 are guidelines. If the Commission finds one or more mitigating or aggravating circumstances, it may assess a lesser or greater sanction, up to and including cancellation. The Commission may decrease or increase a sanction to prevent inequity or to take account of particular circumstances in the case.

(d) Mitigating circumstances include, but are not limited to:

(A) Making a good faith effort to prevent a violation.

(B) Extraordinary cooperation in the violation investigation demonstrating the licensee or permittee accepts responsibility.

(E) Intentionally committing a violation.

(F) A violation involving more than one patron or employee.

(G) A violation involving a juvenile.

(H) A violation resulting in injury or death.

(I) Three or more violations within a two-year-period, regardless of the category, where the number of the proposed or final violations indicate a disregard for the law or failure to control the premises.

(5) A licensee may not avoid the sanction for a violation or the application of the provision for successive violations by changing the corporate structure for example, by adding or dropping a partner or converting to another form of legal entity when the individuals who own, operate, or control the business are substantially similar.

Prohibited Interests in the Marijuana Industry

(1) Definitions. For this rule:

(a) "Business connections" include, but are not limited to, the following behaviors and relationships:

(A) Knowingly providing anything of value to a manufacturer or a business licensed by the Commission in return for something of value except for the exchange of commodities or services that are routinely provided to the general public under the same terms; and

(B) Partnerships with a manufacturer or licensee and similar ventures formed for the purpose of making a profit.

(b) "Employed by the Commission" means any permanent, temporary or limited duration Commission employee.

(c) "Financial Interest" means knowingly holding an ownership interest as a sole proprietor, partner, limited partner or stockholder, in any marijuana business. This definition excludes any investment that the investor does not control in nature, amount or timing.

(d) "Household member" means all persons living as a family unit in the same dwelling as the commissioner or Commission employee.

(e) "Immediate family" means the spouse, and juvenile dependent children of the commissioner or Commission employee.

(f) "Knowledge" and "knowingly" mean that the person had actual knowledge of or reasonably should have known of the fact in question.

(j) "Marijuana Business" means any business or individual licensed by the Commission under ORS 475B.070, 475B.090, 475B.100, 475B.110 and 475B.560, any OHA registrant registered under ORS 475B.420, 475B.435 and 475B.450 and any business whose primary activity is to provide services to marijuana licensees or registrants.

(k) "Position to take action or make decisions that could affect the marijuana business" means that a commissioner or employee's job duties include the discretion to take actions or make decisions that are reasonably likely to create more than a trivial cost or benefit for a licensed business in money, time or anything else of value

(2) Prohibitions.

(a) Financial Interests. No commissioner, employee, household member or family member may hold a financial interest in a marijuana business.

(b) Employment. No commissioner, employee, household member or family member may be employed by a marijuana business unless the commissioner or employee is not in a position to take action or make decisions that could affect the licensed business. An individual is not in a "position to take action or make decisions that could affect the marijuana business" if the Commission removes the employee from actions and decisions

affecting the business. The Commission will do so where the removal would not unreasonably effect the employee's ability to perform his or her job duties.

(c) Business Connections. No commissioner, employee, household member or family member may have a business connection described in this rule unless the commissioner or employee is not in a position to take action or make decisions that could affect the licensed business.

(3) Reporting Requirements.

(a) A commissioner or employee who has a business connection association with a marijuana business must:

(A) Inform the Commission of the association as soon as the commissioner or employee has knowledge of the association, and

(B) Refrain from participating in any decision that directly affects the marijuana business.

(b) An applicant for a Commission job must disclose all financial interests, current employment relationships and business connections that the applicant, or any person in the applicant's household or immediate family, has with a marijuana business of which the applicant has knowledge. If the Commission determines that a prohibited financial interest, employment relationship or business connection exists, the applicant must divest the financial interest, employment relationship or business connection before he or she may be hired.

(d) A Commission employee must report all financial interests, current employment relationships and business connections that the employee, or any person in the employee's household or immediate family, has with a marijuana business to his or her supervisor as soon as the employee has knowledge of it. If the financial interest, employment relationship or business connection is prohibited, the Commission will set a reasonable time period for divestiture. If divestiture does not occur within the given time period, the Commission will terminate the employee's employment.

(4) Disciplinary Action. The Commission will appropriately discipline any employee who:

(a) Fails to report a prohibited financial interest, employment relationship or business connection as required under this rule, or

(b) Knowingly acquires or establishes a financial interest, employment relationship or business connection prohibited under this rule.
