In the Matter of)
JERRY LEE SCHRADER, MD)
LICENSE NO. MD06736) STIPULATED ORDER
)

1.

The Oregon Medical Board (Board) is the state agency responsible for licensing, regulating and disciplining certain health care providers, including physicians, in the State of Oregon. Jerry Lee Schrader, MD (Licensee) is a licensed physician in the State of Oregon.

2.

On December 10, 2018, the Board opened an investigation after receiving credible information regarding Licensee's prescribing practices and his ability to safely practice medicine. On May 6, 2019, the Board issued an Order of Emergency Suspension due to concerns of immediate danger to the public and Licensee's patients. On September 9, 2019, the Board issued a Complaint and Notice of Proposed Disciplinary Action (Notice) alleging violations of the Medical Practice Act.

3.

The Board has received credible information that Licensee lacks testamentary capacity to make decisions for himself and has lacked that capacity since November 30, 2018 as determined by his primary care physician.

4.

Licensee executed a Durable Power of Attorney (POA) on December 14, 2016 appointing as his agent his daughter, Linda J. Schrader-Patton (Representative). She accepted those responsibilities on or about October 3, 2019. Licensee's Representative has authority to act on litigation matters pursuant to paragraph seven (7) of the executed POA.

1 5.

2 Representative and the Board desire to settle this matter by the entry of this Stipulated
3 Order. Representative understands that Licensee has the right to a contested case hearing
4 under the Administrative Procedures Act (Oregon Revised Statutes chapter 183), and fully and
5 finally waives the right to a contested case hearing and any appeal therefrom by the signing of
6 this Order in the Board's records. Licensee, through his Representative, neither admits nor
7 denies, but the Board finds that Licensee engaged in conduct as described in the Notice dated
8 September 10, 2019, and this conduct violated the Medical Practice Act, to wit: ORS
9 677.190(1)(a), as defined in ORS 677.188(4)(a); ORS 677.190(7); ORS 677.190(13); ORS
10 677.190(17); and ORS 677.190(24). Representative understands that this Order is a public
11 record and is a disciplinary action against Licensee that is reportable to the National
12 Practitioner Data Bank and the Federation of State Medical Boards.

13 6.

14 Representative and the Board agree that the Board will close this investigation and
15 resolve this matter by entry of this Stipulated Order, subject to the following conditions:

16 6.1 The Representative for Licensee retires his Oregon medical license while under investigation.

17 6.2 The May 6, 2019, Order of Emergency Suspension terminates, effective the date
18 the Board Chair signs this Order.

19 6.3 The Representative acknowledges on behalf of the Licensee must obey all Federal and
20 Oregon State laws and regulations pertaining to the practice of medicine.

21 6.4 The Representative acknowledges on behalf of the Licensee that any violation of the terms of
22 this Order shall be grounds for further disciplinary action under ORS 677.190(17).
