3.

In order to address the Board's concerns, Licensee and the Board agree to the entry of this Interim Stipulated Order, which is not an admission of any wrongdoing on the part of the Licensee. This Order will remain in effect while this matter remains under investigation, and provides that Licensee shall comply with the following conditions:

4           3.4     Licensee must immediately begin to taper opioid medications for any chronic pain  
5     patient with a morphine equivalent dose (MED) over 90 by at least 10% per month until patient's  
6     MED is 90 or less unless the patient is currently enrolled in hospice or is currently receiving end  
7     of life care. If this exception applies, Licensee must certify on the written prescription that the  
8     patient is a hospice patient or receiving end of life care. Licensee may elect to transfer the care  
9     of any patient with an MED over 90 to another physician.

10          3.5     For patients taking buprenorphine or buprenorphine/naloxone, Licensee may  
11     continue to prescribe above 90 MED.

12          3.6     Licensee may treat patients for acute pain for no more than 30 days per year, with  
13     a maximum MED of 50.

18     tapered to 90 MED or less. Benzodiazepines must be tapered by at least 10% per month until the

1.

9 The Oregon Medical Board (Board) is the state agency responsible for licensing,  
10 regulating and disciplining certain healthcare providers, including physician assistants, in the  
11 state of Oregon. Jane Katherine Hopson, PA (Licensee) is a licensed physician assistant in the  
12 state of Oregon.

13 2.

14 The Board received credible information regarding Licensee that resulted in the Board  
15 initiating an investigation. The results of the Board's investigation to date have raised concerns  
16 to the extent that the Board believes it necessary that Licensee agree to cease the practice of  
17 medicine until the investigation is completed.

18 3.

19 In order to address the concerns of the Board, Licensee and the Board agree to enter into  
20 this Interim Stipulated Order, which is not an admission of any wrongdoing on the part of the  
21 Licensee, and provides that Licensee shall comply with the following conditions effective the  
22 date this Order is signed by Licensee:

23 3.1 Licensee voluntarily withdraws from the practice of medicine and her license is

26 3.2 Licensee understands that violating any term of this Order will be grounds for  
27 disciplinary action under ORS 677.190(17).

1 4.

2 At the conclusion of the Board's investigation, Licensee's status will be reviewed in an  
3 expeditious manner. Following that review, if the Board determines that Licensee shall not be  
4 permitted to return to the practice of medicine, Licensee may request a hearing to contest that  
5 decision.

6 5.

7 This Order is issued by the Board pursuant to ORS 677.265(1) and (2) for the purpose  
8 of protecting the public, and making a complete investigation in order to fully inform itself with
