

Oregon Medical Board  
**BOARD ACTION REPORT**  
**June 15, 2017**

The information contained in this report summarizes new, interim, and final actions taken by the Oregon Medical Board between May 16, 2017, and June 15, 2017.

Scanned copies of Interim Stipulated Orders, Orders of Emergency Suspension, Stipulated Orders, Final Orders, Termination Orders, Modification Orders and Voluntary Limitations are included at the end of this report in the order that they appear in the report. These orders are marked with an \* asterisk. **Scanned copies of Consent Agreements are not posted, as they are not disciplinary action and impose no practice limitations.** Complaint and Notices of Proposed Disciplinary Action are not listed in this report, as they are not final actions by the Board. Both Orders, however, are public and are available upon request.

Printed copies of the Board Orders not provided with this report are available to the public. To obtain a printed copy of a Board Order not provided in this report, please complete the License Verification and Malpractice Report Request (<http://www.oregon.gov/OMB/ombforms1/request-licensee-info-verification.pdf>) found under the Forms link on the Board's web site. Submit it with the \$10.00 fee *per licensee* and mail to:

**Oregon Medical Board**  
**1500 SW 1st Ave, Ste 620**  
**Portland, OR 97201**

*Copies of the Orders listed below are mailed to Oregon hospitals where the Licensee had self-reported that he/she has privileges.*

OREGON MEDICAL BOARD  
STATE OF OREGON

In the Matter of )  
RICHARD CARLTON HEITSCH, MD ) INTERIM STIPULATED ORDER  
LICENSE NO. MD11610 )

1.

The Oregon Medical Board (Board) is the state agency responsible for licensing, regulating and disciplining certain health care providers, including physicians, in the state of Oregon. Richard Carlton Heitsch, MD (Licensee) is a licensed physician in the State of Oregon and holds an active medical license.

2.

The Board received credible information regarding Licensee that resulted in the Board initiating an investigation. The results of the Board's investigation to date have raised concerns to the extent that the Board believes it necessary that Licensee agree to certain terms until the investigation is completed.

3.

In order to address the Board's concerns, Licensee and the Board agree to the entry of this Interim Stipulated Order, which is not an admission of any wrongdoing on the part of the Licensee, and will remain in effect while this matter remains under investigation, and provides that Licensee shall comply with the following conditions:

- 3.1 Licensee must cease treating patients with hyperbaric oxygen.
- 3.2 Licensee understands that violating any term of this Order will be grounds for disciplinary action under ORS 677.190(17).
- 3.3 Licensee understands this Order becomes effective the date he signs it.

1.

The Oregon Medical Board (Board) is the state agency responsible for licensing, regulating and disciplining certain health care providers, including physicians, in the State of Oregon. Hidenao Kimura, MD (Licensee) is a licensed physician in the State of Oregon and holds an active medical license.

2.

The Board received credible information regarding Licensee that resulted in the Board initiating an investigation. The results of the Board's investigation to date have raised concerns to the extent that the Board believes it necessary that Licensee agree to certain terms until the investigation is completed.

3.

In order to address the Board's concern, Licensee and the Board agree to the entry of this Interim Stipulated Order, which is not an admission of any wrongdoing on the part of the Licensee, and will remain in effect while this matter remains under investigation, and provides that Licensee shall comply with the following conditions:

3.1 Licensee must not begin treatment for chronic pain for any new or existing patient, and must not increase the morphine equivalent dosage (MED) for any chronic pain patient. For the purposes of this Order, chronic pain is defined as pain that persists or progresses over a period of time greater than 30 days.

///

1           3.2     Licensee must not add or increase the dosage of benzodiazepines to any patient  
2 receiving opioids.

3           3.3     Within 60 days of the effective date of this Order, carisoprodol (Soma) must be  
4 eliminated from the treatment regimen for any patient on opioid therapy for chronic pain, and the  
5 dosages must not be increased during this 60 day period.

6           3.4     Licensee must immediately begin to taper opioid medications for any chronic pain  
7 patient with an MED over 90 by no less than 10% per month until patient's MED is 90 or less.  
8 Alternatively, Licensee may transfer the care of any patient with an MED over 90 to another  
9 provider. Licensee must not direct any other provider to prescribe for chronic pain patients on  
10 his behalf.

11          3.5     For current patients receiving opioids and benzodiazepines, once opioid  
12 medications are at 90 MED or less, Licensee must begin to taper the dosage of benzodiazepines  
13 by 10% per month until benzodiazepines are eliminated from the treatment regimen.

14          3.6     Licensee must not begin treatment with stimulants for any new or existing patient.  
15 Licensee must immediately begin to taper stimulants for any patient taking more than 60 mg of  
16 Adderall or Ritalin by no less than 10% per month until patient is taking 60 mg or less.  
17 Alternatively, Licensee may transfer the care of any patient taking more than 60 mg of Adderall  
18 or Ritalin to another provider. Licensee must not direct any other provider to prescribe  
19 stimulants on his behalf.

20          3.7     Licensee may continue to prescribe greater than 90 MED for chronic pain for his  
21 patients who are currently enrolled in hospice or who are currently receiving treatment for a  
22 diagnosis of cancer. Licensee must certify on the written prescription that the patient is a  
23 hospice or cancer patient.

24          3.8     Licensee must not supervise any other provider's treatment of chronic pain.

24          3.9     Licensee understands that violating any term of this Order will be grounds for  
25 disciplinary action under ORS 677.190(17).

26          3.10    Licensee understands this Order becomes effective the date he signs it.

The Oregon Medical Board (Board) is the state agency responsible for licensing, regulating and disciplining certain healthcare providers, including physicians, in the State of Oregon. David Louis Sincavage, Jr., MD (Licensee) is a licensed physician in the State of Oregon.

2.

The Board received credible information regarding Licensee that resulted in the Board initiating an investigation. The results of the Board's investigation to date have raised concerns to the extent that the Board believes it necessary that Licensee agree to cease the practice of medicine until the investigation is completed.

3.

In order to address the concerns of the Board, Licensee and the Board agree to enter into this Interim Stipulated Order, which is not an admission of any wrongdoing on the part of the Licensee, and provides that Licensee shall comply with the following conditions effective the date this Order is signed by Licensee:

3.1 Licensee voluntarily withdraws from the practice of medicine and his license is placed in Inactive status pending the completion of the Board's investigation into his ability to safely and competently practice medicine.

3.2 Licensee understands that violating any term of this Order will be grounds for disciplinary action under ORS 677.190(17).

4.

At the conclusion of the Board's investigation, Licensee's status will be reviewed in an expeditious manner. Following that review, if the Board determines that Licensee shall not be permitted to return to the practice of medicine, Licensee may request a hearing to contest that decision.

5.

This Order is issued by the Board pursuant to ORS 677.265(1) and (2) for the purpose of protecting the public, and making a complete investigation in order to fully inform itself with respect to the performance or conduct of the Licensee and Licensee's ability to safely and competently practice medicine.
