RULE TITLE: Modification and Termination of Board Orders and Agreements

NOTICE FILED DATE: 10/12/2022

RULE SUMMARY: The rule amendment adds definitions for "termination" and "modification" of Board Orders or Agreements and clarifies "modification" of an Order or Agreement.

RULE TEXT:

(1) For purposes of Oregon Medical Board actions:

(a) "Terminate" or "termination" means the licensee has successfully completed all of the terms of the Order or Agreement or the Order or Agreement is no longer needed. A termination does not vacate, expunge, or otherwise nullify the Order or Agreement.

(b) "Modify" or "modification" means the Board has agreed to modify or terminate some of the terms of the Order or Agreement, which remains in effect.

(2) Licensees must submit a request in writing to modify or terminate a Board Order or Agreement.

(3) To request a modification to a Board Order or Agreement:

(a) Licensee must not have made a request to modify or terminate within the previous 12 months, and

(b) Licensee must have completed at least one term to the satisfaction of the Board.

(4) To request termination of a Board Order or Agreement:

(a) Licensee must not have made a request to modify or terminate within the previous 12 months, and

(b) Licensee must have completed or complied with all of the terms in the Board Order or Agreement to the satisfaction of the Board.

(5) The Executive Director or Medical Director, via his/her signature, has the authority to terminate a Corrective Action Agreement upon licensee's successful completion of all of the terms in the agreement.

(6) The Executive Director or Medical Director must forward an Order Terminating Corrective Action Agreement to the Board in a timely manner.
