RULE TITLE: Board Member Compensation

NOTICE FILED DATE: 01/11/2022

RULE SUMMARY: The rule amendments implement HB 2992 (2021) requiring board qualified members receive compensation at a rate at least equal to the daily per diem as state legislators. The Board may adopt a rule setting this as the per diem rate for all members (regardless of income). The Oregon legislative per diem is \$155 per day. The board's rule currently compensates all members a maximum of \$250 for each day. The amendment increases the preparation day compensation from \$100 to the current Oregon legislative per diem. The amendment also provides a minimum payment for Board and committee meetings equal to the current Oregon legislative per diem. The Board will continue the usual practice of providing all members compensation and expense reimbursement; however, HB 2992 does specify that members may decline to accept compensation and expenses.

RULE TEXT:

- (1) Board members of the Oregon Medical Board shall receive no less than the current Oregon legislative per diem as specified in ORS 171.072(9) up to \$250 compensation for each day or portion thereof during which the member is actually engaged in the performance of official duties, which includes Board and committee meetings and activities that the Board has pre-approved or requested that the member attend as its representative.
- (2) Board members shall receive one day of compensation at the current Oregon legislative per diem as specified in ORS 171.072(9) to prepare for each occurrence of a full day or multiday Board or Committee meeting that the Board member attends.
- (3) The compensation amount shall be in addition to the allowable reimbursement for travel or other expenses.
- (4) Board members may decline to accept compensation or reimbursement of expenses.
