AMEND: 847-008-0025

NOTICE FILED DATE: 04/08/2025

RULE SUMMARY: The Inactive - One Year status is for physicians practicing in a postgraduate training program outside of Oregon. To save agency resources, the rulemaking discontinued this status, and OMB only offers an Inactive status with a two-year renewal cycle. The two licensees at this status were transitioned to the two-year cycle.

CHANGES TO RULE:

847-008-0025  
Inactive Registration ~~¶~~

(1) Each licensee of the Board who is licensed, certified or registered but who does not practice within the State of Oregon, shall register and pay a biennial inactive registration fee prior to the last day of the registration period; ~~except where the licensee is a physician in a qualified training program and elects to register on an annual basis. ¶~~

(2) The licensee with inactive status who wishes to resume practice in Oregon must submit the reactivation application and fee and satisfactorily complete the reactivation process before beginning practice in Oregon.
