**NEED FOR THE RULE(S)**

The proposed rule amendments are needed to update the EMS physician course name to reflect that the National Association of EMS Physicians (NAEMSP) renamed its Medical Direction Overview Course to the Foundations of Medical Oversight Course. The course helps medical directors provide quality medical oversight by covering system design, EMS clinician credentialing and training, clinical care, quality improvement, and state-specific legislation and regulation.

**STATEMENT IDENTIFYING HOW ADOPTION OF RULE(S) WILL AFFECT RACIAL EQUITY IN THIS STATE**

The proposed rule updates the name of a course offered by the National Association of EMS Physicians. The proposed rule will not impact racial equity.

**FISCAL AND ECONOMIC IMPACT:**

The proposed rule updates the name of a course offered by the National Association of EMS Physicians. The proposed rule amendment has no fiscal and economic impact.

**COST OF COMPLIANCE:**

(1) Identify any state agencies, units of local government, and members of the public likely to be economically affected by the rule(s). (2) Effect on Small Businesses: (a) Estimate the number and type of small businesses subject to the rule(s); (b) Describe the expected reporting, recordkeeping and administrative activities and cost required to comply with the rule(s); (c) Estimate the cost

*of professional services, equipment supplies, labor and increased administration required to comply with the rule(s).*

(1) The rule amendment will have no economic impact on state agencies, units of local government, or the public. (2) The rule amendment applies to supervising EMS physicians and only updates the name of a course offered by the National Association of EMS Physicians; however, small businesses may employ supervising EMS physicians. (b) The rulemaking imposes no additional mandatory reporting, recordkeeping or other administrative requirements on small businesses. (c) The rulemaking imposes no additional requirements regarding equipment, supplies, labor or administration.

---

DESCRIBE HOW SMALL BUSINESSES WERE INVOLVED IN THE DEVELOPMENT OF THESE RULE(S):

Members of the Board who were consulted in the development of the rule represent small businesses. The rule was reviewed by the EMS Advisory Committee of the Board on November 21, 2025 as well as the full Board at its quarterly meeting on January 8, 2026.

---

WAS AN ADMINISTRATIVE RULE ADVISORY COMMITTEE CONSULTED? NO IF NOT, WHY NOT?

The rule was reviewed by the EMS Advisory Committee of the Board on November 21, 2025 as well as the full Board at its quarterly meeting on January 8, 2026. Board members represent the interests of persons and communities likely to be affected by a proposed rule. Overall, Committee and Board members are Oregon-licensed EMS providers, licensees of the Oregon Medical Board, or public members who represent Oregon patients.
