In accordance with
Oregon Revised Statutes & **Oregon Administrative Rule:**

CERTIFICATE OF REMOVAL REGISTRATION FOR REMOVAL OF DEAD HUMAN BODIES

ORS 692.270

(1) The State Mortuary and Cemetery Board shall issue a certificate of removal registration to a funeral establishment licensed in another state contiguous to Oregon with laws substantially similar to the provisions of this section for the limited purpose of removing dead human bodies from Oregon, prior to submitting a report of death, if the establishment that will make the removals applies to the board for a certificate of removal registration on a form provided by the board. The application fee established under ORS 692.160 shall accompany the application. A certificate issued under this subsection expires upon a change of ownership of the funeral establishment.

(2) For purposes of this section, each branch of a registrant's funeral establishment is a separate establishment and must be registered as a fixed place of business.

(3) Notwithstanding ORS 692.025 (1) and 692.045, a funeral service practitioner who files reports of death in another state may file an Oregon report of death if the funeral service practitioner is employed by a licensed funeral establishment registered with the board under this section.

(4) The conduct of a funeral service practitioner or any other person employed by or acting on behalf of a removal registrant shall be the direct responsibility of the holder of a certificate of removal registration.

(5) For any of the prohibited acts described in ORS 692.180, or for violation of any death care rule or law in another state, the board may impose upon the holder of a certificate of removal registration or applicant any of the sanctions described in ORS 692.180.
