

## Oregon Mortuary & Cemetery Board Disciplinary Actions

Due to our recent website redesign, disciplinary actions are temporarily not available to view on our website. We have included below a list of all of the disciplinary actions issued between March 2007 and July 2018. If you would like to view any of the Orders, please email the Board at [mortuary.board@state.or.us](mailto:mortuary.board@state.or.us) and a copy of the document can be emailed to you. The Public Records Request fee for these documents is waived, as they typically appear on this site free of charge.

The disciplinary actions are sorted alphabetically by the respondent's last name or by the complete name of the business or facility.
