Additional Instructions:

A representative from each unit will be present every day at Range Control for the 0800 morning briefing

Live Fire Ranges

- The range OIC, RSO, and all beach guards must attend a safety brief prior to going hot

Sim Training

- Units must arrange operator training for the EST2000, FATS, VCOT, & Heat Trainer by coordinating through the TADDS warehouse 503-836-4159 Or Range Operations NCOIC 503-836-4096 M-F 0800-1530.

Chemical Latrines

- It is the unit's responsibility for coordination, placement, payment and recovery of latrines. Contact Sweet Septic: 503-436-9759 or Honey Bucket: 503-581-7223/ 800-966-2371 for arrangements.

Camp Rilea does not provide gear or ropes for the Rappel Tower or Rope Bridge Site
