DESCRIPTION OF DUTIES

POSITION DUTIES:

Released PDR 16-19 Air National Guard Non-Destructive Tester Position Descriptions.

This position is located in an Air National Guard Aviation Wing, Maintenance Group, Fabrication Flight. This is an Air National Guard (ANG) Dual Status Technician position requiring military membership, compatible military skill assignment, and classification. The primary purpose of this position is to supervise workers on a day-to-day or project-by-project basis, either directly or through one or more subordinate leaders, in accomplishing the work operations of the organizational segment or work shift and to perform associated nonsupervisory work. The occupation and grade level which best reflects the nature of the overall work operations supervised is Nondestructive Tester, WG-3705-10.

MAJOR DUTIES:

1. Planning: Plans and schedules specific work assignments on a daily or project-by-project basis within specified time requirements. Arranges for adequate personnel, materials and equipment to accomplish the work.
2. Work Direction: Assigns tasks to be performed. Explains prescribed methods and procedures; instructs subordinates on new procedures and provides assistance on problems. Reviews work in progress and on completion. Obtains approval from supervisor for changes in standard or prescribed procedures and changes in work operations. Suggests ways or methods to improve operations or reduce costs.
3. Administration: Recommends individuals to fill vacancies or for promotion or reassignment. Assists in the establishment of performance standards and makes recommendations for performance appraisals. Counsels with employees on disciplinary issues and recommends disciplinary action. Attempts to resolve informal complaints and grievances, referring unresolved or more serious issues to supervisor. Conducts on-the-job training and recommends employees for formal training programs. Schedules leave and approves leave for short periods of time. Encourages employees to participate in suggestion or cost reduction programs. Ensures that regulations governing safety and housekeeping are observed. Explains and implements such personnel programs as equal opportunity, position management, position description review, and labor relations. Maintains production reports and records.
4. Performs the nonsupervisory functions of the organizational segment supervised.
5. Implements safety regulatory requirements. Ensures that subordinates wear appropriate safety equipment and follow pertinent safety precautions.

Performs other duties as assigned.
