DESCRIPTION OF DUTIES

Specialty Summary: Maintains aircraft egress systems with ejection seats, canopies; explosive components; electro-explosive devices (EED); subsystems; and related support equipment (SE).

• Advises on and solves installation, maintenance, and repair problems by studying schematic and technical publications. Diagnoses malfunctions and recommends corrective action. Implements maintenance and safety policies for egress systems and integral egress system components to include personnel parachute assemblies and survival kits.

• Performs scheduled and unscheduled maintenance on egress systems. Removes, installs, and modifies egress systems. Ensures egress explosive cartridge activated devices (CAD), pressure activated devices (PAD), and EEDS are safe or de-armed prior to performing maintenance. Performs operational and functional tests of egress systems, subsystems, and components using test equipment and test kits. Applies corrosion control procedures to escape systems and related components. Operates and maintains related SE. Uses maintenance information systems (MIS) to monitor maintenance trends, analyze equipment requirements, maintain equipment records, document maintenance actions, and time change database.

• Performs integrity inspections of the escape system. Inspects egress systems, subsystems, and components for safety, security, and serviceability. Inspects and determines serviceability of CAD, PAD and EED devices based on shelf and service life limits. Handles, labels, and disposes of hazardous waste and materials according to federal and local environmental standards.

Special Qualifications:

• Knowledge. Knowledge is mandatory of mechanical, pneumatic, and electrical principles applying to aircrew egress systems; concepts and application of applicable maintenance directives; and using and interpreting schematic drawings, and technical publications.

• Training. For award and retention of these AFSCs:

• For entry into this specialty: Normal color vision as defined in AFI 48-123, Medical Examinations and Standards.

• See attachment 4 for additional entry requirements.

• For award and retention of these AFSCs, must maintain local network access IAW AFI 17-130, Cybersecurity Program Management and AFMAN 17-1301, Computer Security.

Performs other duties as assigned.
