DUTIES AND RESPONSIBILITIES

- Oversees operational readiness, training pipelines, and crew qualification standards across all CPT squads (Host, Network, Threat Emulation, and Readiness).
- Integrates cyberspace defense tactics, techniques, and procedures (TTPs) aligned with USCYBERCOM, Air Forces Cyber (16 AF), and service cyber component taskings.
- Advises command staff on the operational deployment, force posture, and tactical employment of expeditionary and remote cyber defense elements.
- Manages enlisted utilization, duty assignments, manning documents, and career progression for all 1B4XX and support personnel.
- Directs evaluation systems, enlisted promotion cycles, awards and decorations programs, and professional development seminars.

- Serves as the primary functional manager for 1B4XX personnel within the unit, ensuring alignment with Air Force Specialty Codes (AFSC) standards.
- Collaborates with mission element leads to ensure weapon system viability, tool validation, and compliance with operational authorities.
- Monitors currency and compliance with mission qualification training (MQT), continuation training (CT), and advanced technical certifications (DoD 8140/8570 baseline).
- Coordinates with external joint partners, interagency stakeholders, and sister service counterparts during joint exercises and real-world operations.
- Mentors subordinate Non-Commissioned Officers (NCOs) and Senior NCOs in leadership, accountability, and military standards.
- Promotes resiliency, operational security (OPSEC), and adherence to DoD and Air Force instructions across all echelons.
- Other duties as assigned
