

Columbia Gorge Defenders is a non-profit organization that focuses on criminal defense, juvenile justice and dependency work. We have offices in The Dalles and Hood River, Oregon.

We are interviewing experienced and recently licensed lawyers for a position that includes both adult criminal defense and juvenile justice work. We are especially interested in applicants who have a demonstrated interest in criminal defense but we will train the right individual. We are considering graduating 3L students with a demonstrated commitment to public defense and juvenile justice in Oregon.

CGD offers an excellent work/life balance; we maintain ethical caseloads and offer significant paid time off for all employees. Our four senior attorneys have been with the firm from 10 to 25 years. Our staff averages over 15 years at the firm.

We offer excellent benefits, a starting salary of \$80k + DOE, and the opportunity to live and work in one of the very best areas of the state. We are a non-profit public defender and employment here may make qualified individuals eligible for Public Service Loan Forgiveness – assuming that PSLF survives the Trump Administration.
