

In the Matter of Imposing “Level 2”)	CHIEF JUSTICE ORDER
and “Level 3” Restrictions on Court)	No. 20-016
Operations)	
)	ORDER IMPOSING “LEVEL 2” AND “LEVEL 3”
)	RESTRICTIONS ON COURT OPERATIONS
)	

As Oregon’s Chief Justice, I issued original Chief Justice Order 20-006 on March 16, 2020, and Amended Chief Justice Order 20-006 on March 27, 2020, both imposing “Level 3” restrictions on court operations. The emergency conditions that have resulted from the spread of COVID-19 continue, as does Governor Kate Brown’s emergency declaration, which she extended through July 6, 2020, by signing Executive Order 20-24 on May 1, 2020. On March 23, 2020, Governor Brown issued Executive Order 20-12, which requires Oregonians to stay at home or at their place of residence to the maximum extent possible. And, on May 14, 2020, Governor Brown approved a Phase One reopening for some parts of the state, easing certain restrictions on Oregonians in relation to the COVID-19 state of emergency.

Given those considerations and the ongoing thinking of those in the public health community, and after consulting with the courts’ Advisory Committee and the Oregon State Bar, I am issuing this new order, easing while continuing to impose restrictions on court operations. Generally, this order (1) imposes updated, eased, “Level 2” restrictions for courts in judicial districts that have moved to Phase One; (2) retains current “Level 3” restrictions for courts in judicial districts that have not yet moved to Phase One; and (3) imposes other requirements for court operations regardless of whether a judicial district is subject to Level 2 or Level 3 restrictions. This order becomes effective on June 1, 2020, and will remain in place until further order. As conditions change, or if there is a need to do so, I may order further restrictions or ease restrictions on operations.

Our goal is to continue to meet our courts’ obligations to the public while also continuing to minimize health risks for judges, staff, litigants and case participants, interpreters, and members of the public who come into our courthouses and offices.

STATUTORY AUTHORITY:

1. ORS 1.002 provides that the Chief Justice of the Oregon Supreme Court is the administrative head of the judicial department of government in this state; shall exercise administrative authority and supervision over the courts of this state consistent with applicable provisions of law and the Oregon Rules of Civil Procedure; and, to facilitate exercise of that administrative authority and supervision, may make rules and issue orders as appropriate or take any other action appropriate to perform the functions of the office of Chief Justice.
2. ORS 1.002(9) provides that the Chief Justice may delegate the exercise of any powers specified in ORS 1.002 to the Presiding Judge of a court.
3. ORS 1.171(4) provides that a Presiding Judge may delegate the exercise of any of the administrative powers of the Presiding Judge to another judge of the court or to the Trial Court Administrator for the judicial district.

12. Expectations for Attorneys

When trials, proceedings or hearings are held in the courthouse, except as otherwise provided in subparagraph 15.a., attorneys shall appear in person, unless the attorney is excused or the Presiding Judge has adopted a procedure that allows attorneys to appear by remote means. An attorney who has concerns about appearing in person due to COVID-19-related issues should seek to be excused; request either a postponement or an appearance by remote means if desired, reasonably feasible, and permitted by law; and, if necessary, take steps to help the client find suitable counsel. A request for postponement, appearance by remote means due to concerns about COVID-19, or request for substitute counsel should be granted as appropriate.

13. Meetings, Conferences, and Travel

a. Maximum size of meetings or conferences

- (1) If Level 2 restrictions apply in a judicial district, no in-person meetings or conferences of more than 25 people may be held, except as authorized by the Presiding Judge, State Court Administrator, or designee.

- 14. Public Safety and Community
 - a. Courts should work with attorneys and their local bar associations to ensure that every possible opportunity to reduce risk and preserve the function of Oregon courts has been identified and explored.
 - b. Courts should work with the Criminal Justice Advisory Committee, their Local Public Safety Coordinating Councils, and other stakeholder groups to explore criminal justice system issues and ensure the health of those who are incarcerated and coming to court.
 - c. Courts should explore alternatives to current arrest and detention policies, including the use of cite-in-lieu of arrest where appropriate, to keep jail populations at a minimum.
- 15. Persons Held In-Custody in County Jail
 - a. A Presiding Judge shall permit an attorney wishing to be heard on a motion for release to appear by remote means when reasonably feasible and permitted by law.
 - b. Each Presiding Judge should work with the local district attorney's office, criminal defense attorneys, sheriff's office, and community corrections department or other agency to identify persons housed in their jails who can be safely released or are eligible for release, including release under ORS 137.520 and ORS 137.750, for the purpose of managing the jail population by reducing those jail populations.
- 16. Fines, Fees, and Costs

As permitted by law, courts are strongly encouraged to waive or suspend fines, fees, and costs for persons with limited financial resources.
- 17. Appellate Courts, Tax Court, and Office of the State Court Administrator

a. Appellate Courts

- (1) The restrictions and other requirements described in paragraphs 9, 10, 11, 12, 13, 14, and 18 apply, to the extent practicable, to the Supreme Court and the Court of Appeals. To the extent that those courts are able to continue to conduct their ordinary operations using remote services and remote means, they should do so.

- (3) The Chief Justice of the Supreme Court and the Chief Judge of the Court of Appeals may delegate authority to take actions under this order.

b. Tax Court

- (1) The restrictions and other requirements described in paragraphs 5, 7, 9, 10, 11, 12, 13, 14, and 18 apply, to the extent practicable, to the Tax Court. To the extent that the Tax Court is able to continue its ordinary operations using remote services and remote means, unless provided otherwise in this subparagraph, it should do so.
- (2) Scheduling and mode of proceedings
 - (A) If Level 2 restrictions apply, the Tax Court Judge may schedule proceedings in the courthouse, or proceedings that are a combination of in-the-courthouse and remote means, for any date that that judge deems appropriate, but only if the proceeding can be held in compliance with social distancing requirements and other requirements set out in paragraph 10.
 - (B) If Level 3 restrictions apply,
 - (i) Except as provided in subparagraph 17.b.(2)(B)(ii), no proceedings shall be held before July 1, 2020.

- (2) The Citizen Review Board shall schedule and conduct periodic reviews of cases involving children in foster care using only remote means during the period of either Level 2 or Level 3 restrictions.

18. Notice and Communication

Presiding Judges, Trial Court Administrators, and the State Court Administrator and designees must work together to:

- a. Use all reasonable means to inform judges, staff, lawyers, and the public of these restrictions; and
- b. Post information about these restrictions and local court operations on court websites or in other publicly available locations.

19. Application

a. Circuit courts

- (1) The Level 2 restrictions described in this order apply in a judicial district when the Governor has approved one or more counties in that district to move to Phase One.
