The following are the underlying bases for this Contract:

- a. Oregon has a constitutional and statutory responsibility to provide public defense Services, and pursuant to ORS 151.216, the OPDC has responsibility for ensuring those Services are available in circuit and appellate courts.
- b. OPDC desires to have Services performed for Clients entitled to public defense representation by Contractor, as authorized by law.

CONTRACTOR HEREBY CONSENTS TO THE PERSONAL JURISDICTION OF THESE COURTS, WAIVES ANY OBJECTION TO VENUE IN THESE COURTS, AND WAIVES ANY CLAIM THAT THESE COURTS ARE INCONVENIENT FORUMS. - C. Severability: If a court of competent jurisdiction declares, or the Parties agree that any term or provision of this Contract is illegal or in conflict with any other law, the remaining terms and provisions shall remain valid, and the rights and obligations of the Parties shall be construed and enforced as if this Contract did not contain the term or provision held to be invalid.

Contractor is, for all purposes arising out of this Contract, an independent contractor, and neither Contractor, its successors, nor their employees, members, agents, or individual Attorneys are deemed employees of the State, OPDC or the federal government.

Further, Contractor's Attorneys are not officers or agents of the State as defined in ORS 30.260 and 30.265. Contractor shall complete the requirements of this Contract according to Contractor's own means and methods of work, which shall be in the exclusive charge and control of Contractor, and which shall not be subject to control or supervision by OPDC, except as specified in this Contract. 5. ASSIGNMENT AND SUBCONTRACTING

Contractor **may not** subcontract the Services of this Contract without the written consent of OPDC. If Contractor wishes to subcontract, Contractor shall submit a request in writing to OPDC. OPDC will review the request and respond in writing within 30 Calendar Days. The subcontractor shall meet the provisions of this Contract. It is Contractor's Contract Administrator's responsibility to ensure the subcontractors are meeting the Contract requirements.

This provision does not prohibit an Attorney to arrange for another attorney Contractor determines is competent under the Oregon Rules of Professional Conduct to make a court appearance, handle a routine matter, or provide limited assistance in a specific Case while the Attorney of record retains overall responsibility for representation. Such professional coverage or assistance is considered part of the normal practice of law and does not constitute a subcontract for purposes of this Contract.

6. CONTRACTOR'S EMPLOYEES, MEMBERS, OFFICE, AND EQUIPMENT

Contractor shall ensure that all persons required to perform the Services required under this Contract have secured or will secure at their own or at Contractor's expense, any necessary employees, office space, and equipment. Contractor agrees that all Attorneys performing Services pursuant to this Contract shall maintain access to an office at which Contractor can have confidential communication with public defense Clients. If Contractor takes Cases in more than one judicial district, then Contractor shall maintain an office proximate to one of the judicial districts in which they have contracted to provide Services and have access to confidential meeting space in any district where they take Cases when necessary.

Maintaining an office includes any arrangement that allows an Attorney to have access to a private space where they can have confidential meetings with clients or witnesses.

7. AUTHORIZED ATTORNEYS; PERFORMANCE REQUIREMENTS

- A. The Attorneys authorized to accept Cases under this Contract, the types of Cases that Contractor and Attorneys may accept, and the jurisdictions in which Contractor and Attorneys may accept Cases are set forth in Exhibit D. No Attorney may accept a Case in a category of representation for which it is not authorized under Exhibit D, unless specifically authorized by OPDC. If Contractor is not a sole proprietor or duly formed legal entity with only one lawyer (i.e., a solo practitioner), Contractor may propose revisions to Exhibit D at any time.
- B. Any Attorney working under this Contract shall use their independent professional judgment in their representation at all proceedings related to the legal matters that are the subject of the representation. Contractor agrees to provide Services and to comply with the requirements of this Contract, Oregon and federal judicial opinions regarding the right to counsel, and all applicable laws, standards and policies, including, but not limited to, the following:
1. [Oregon Rules of Professional Conduct](#);
 2. [Oregon State Bar Performance Standards](#); and
 3. [OPDC Policies and Procedures](#).

C. Contractor agrees to adhere to the billing limitations in Exhibit B and the additional performance standards in Exhibit C.

8. ATTORNEY TRAINING

Ongoing professional training is a necessity for an Attorney to keep abreast of changes and developments in the law, procedure, and court rules and to assure continued rendering of competent assistance of counsel. Contractor shall require sufficient training of all its Attorneys who perform work under this Contract, whether the training is provided in-house or through continuing legal education (CLE) programs accredited by the Oregon State Bar.

Contractor shall ensure that a) all of its Attorneys comply with the CLE requirements of the Oregon State Bar, and b) obtain 12 hours of CLE credit specific to their Contract during the Contract period.

9. COMPENSATION AND METHOD OF PAYMENT

OPDC shall pay Contractor pursuant to the rates specified in Exhibit A, which may be amended during the Term of the Contract by mutual assent of the Parties. Payments will be made pursuant to the OPDC Billing and Invoice Submission Policy. Payments will be made by direct deposit into the account designated by Contractor. Compensation rates for Attorneys are determined by the types of Cases accepted. Appointed Attorneys will only be compensated for work on case types for which OPDC has certified their qualifications. An Attorney appointed to a Case for which OPDC has not certified qualifications must contact OPDC immediately to certify their qualification level or move to withdraw from representation. All funds provided pursuant to this Contract are provided for the sole purpose of provision of Services.

Contractor shall not:

A. Accept funds from anyone other than OPDC for Services performed under the scope of this Contract for a Client, except for grants or funds for work study, job experience, internships, or other such grants or funds; or

B. Solicit or accept payment from a Client for Services provided to the Client under this Contract. If Contractor fails to substantially comply with any terms and conditions of this Contract, OPDC reserves the right to withhold any payment until corrective action described in Section 13 has been taken or completed. This option is in addition to and not in lieu of OPDC's right to terminate this Contract as provided in Section 14 of this Contract.

At the time this Contract is executed, sufficient funds either are available within the OPDC's current appropriation, limitation and expenditure authority or the funds are expected to become available to finance the costs of this Contract. However, payments under this Contract are subject to the availability and appropriation or allotment of funds or other expenditure authority from the Oregon Legislative Assembly (including its Emergency Board), sufficient to allow OPDC, in the exercise of its reasonable administrative discretion, to compensate Contractor. If the Oregon Legislative Assembly fails to approve sufficient appropriations, limitations, or expenditure authority to OPDC, OPDC may modify, suspend, or terminate this Contract. OPDC shall seek to apportion expenditure reductions equally and fairly among all public defense contract agencies. OPDC shall seek first to modify this Contract through negotiation with Contractor. In negotiating any modification, the Parties will consider the funds available, the legal requirements to provide representation that satisfies state and federal constitutional rights to effective and adequate assistance of counsel, and the obligation of counsel to meet prevailing performance standards and rules of professional conduct. OPDC may unilaterally suspend or terminate this Contract if the Parties cannot agree to modification.

10. ESTABLISHMENT AND MAINTENANCE OF RECORDS

A. Contractor shall maintain accounts and records, including Client Data and Client Case files, personnel records, property records, and financial records in accordance with generally accepted accounting principles, and that sufficiently and properly reflect all direct and indirect costs of Services performed in the performance of this Contract.

- B. Contractor's records must show that all disbursements or expenditures of Contract funds were ordinary, reasonable, and necessary, and related to providing direct Services required under this Contract or Services necessary to the performance of this Contract.
- C. Contractor shall maintain records pertaining to this Contract for a period of six (6) years or such longer period as may be required by applicable law, following final payment and termination of this Contract, or until the conclusion of any audit, controversy or litigation arising out of or related to this Contract, whichever date is later, unless permission to destroy the records is granted by OPDC. Contractor acknowledges and agrees that OPDC and the Oregon Secretary of State's Office and their duly authorized representatives may access such financial records and other Records that are pertinent to this Contract, whether in paper, electronic or other form, to perform examinations and audits and to make excerpts and transcripts.

In addition, Contractor shall retain all public defense Client Data and Client Case files consistent with Contractor's obligations under the Oregon Rules of Professional Conduct and OPDC published guidelines.

11. CONTRACTOR REPORTING AND INSPECTION

The purpose of audits and inspections is to ensure Contractor's compliance with the terms of the Contract. Nothing in this section is intended to interfere with the attorney-client relationship or matters relating to privilege and attorney confidentiality.

Contractor agrees to audits and inspections, and shall submit to OPDC reports, as prescribed below. Failure to comply with requested audits and inspections, or to submit required reports and records, may be considered a breach of this Contract and may result in OPDC withholding payment or invoking the Corrective Action procedures in Section 13 (Corrective Action).

A. OPDC Requested Reports

Contractor agrees to provide OPDC with reports during the Term of the Contract if OPDC determines that reporting obligations are necessary and OPDC provides a template to Contractor to submit the reports.

B. Audit, Inspection, Records, and Confidentiality

Contractor shall grant OPDC full access to materials necessary to verify compliance with all terms of this Contract, including access to any entity audit required by state or federal law. At any time, upon ten (10) Business Days' notice, during business hours and as often as OPDC may reasonably deem necessary for the duration of this Contract and a period of six (6) years thereafter, Contractor shall provide to OPDC requested records or a right of access to its facilities to audit information relating to the matters covered by this Contract. Information that may be subject to any privilege or rules of confidentiality should be maintained by Contractor in a way that allows access by OPDC without breaching such confidentiality or privilege. Notwithstanding any of the above provisions of this paragraph, none of the Constitutional, statutory, and common law rights and privileges of any Client will be considered waived by actions taken under this section of this Contract. OPDC will respect the attorney-client privilege.

12. EVALUATION OF CONTRACTOR

OPDC may review information to monitor Contractor activity, including Attorney Caseloads and Workloads, support staff and Attorney ratios for each area of cases, the experience level and supervision of Attorneys who perform Services under this Contract, the amount and content of training provided to such Attorneys and the compensation provided to Attorneys and support staff to ensure Contractor is adhering to the terms and meeting the performance requirements of this Contract.

At the request of either Party, and at least twice per year, OPDC and Contractor shall meet to discuss Case assignment trends, and any other matters needed to determine Contract compliance or any necessary Contract modifications.

13. CORRECTIVE ACTION

The provisions of Section 14 notwithstanding, if OPDC reasonably believes that a material breach of this Contract has occurred, warranting corrective action, OPDC may request corrective action, in which case the following sequential procedure shall apply:

- A. OPDC will notify Contractor in writing of the nature of the breach.
- B. Contractor shall respond in writing within ten (10) Business Days of its receipt of such notification, which response shall present facts to show no breach exists or indicate the steps being taken to correct the specified deficiencies, and the proposed completion date for bringing Contractor into compliance.
- C. OPDC will notify Contractor in writing of OPDC's determination as to the sufficiency of Contractor's facts or corrective action plan. The determination of the sufficiency of Contractor's corrective action plan will be at OPDC's discretion and will take into consideration the reasonableness of the proposed corrective action in light of the alleged breach, as well as the magnitude of the deficiency in the context of this Contract as a whole. If Contractor does not concur with the determination, Contractor may request a review of the decision by OPDC's Executive Director. Contractor shall work with OPDC to implement an appropriate corrective action plan.

If Contractor does not respond to OPDC's notification within the appropriate time, or Contractor's corrective action plan for a substantial breach is determined by OPDC to be insufficient, OPDC may commence termination of this Contract in whole or in part pursuant to Section 14 (Contract Termination and Suspension).

In addition, OPDC reserves the right to withhold a portion of subsequent payments owed Contractor that are directly related to the breach of this Contract until OPDC is satisfied the corrective action has been taken or completed.

14. CONTRACT TERMINATION AND SUSPENSION; WIND-DOWN

- A. OPDC may terminate this Contract in whole or in part upon ten (10) Business Days' written notice to Contractor if:
 1. Contractor materially breaches any duty, or obligation, or fails to adequately provide Services required pursuant to this Contract and for which OPDC determines the Corrective Action process prescribed in Section 13 is not reasonable or practicable;
 2. Contractor engages in Misappropriation of Funds; or
 3. The duties, obligations, or Services that Contractor must perform in accordance with this Contract become illegal, or not feasible.

Before OPDC terminates this Contract pursuant to Section 14 A.1, in lieu of the Corrective Action process provided in Section 13, OPDC shall provide Contractor written notice of termination, which shall include the reasons for termination and the effective date of termination, Contractor shall have the opportunity to submit a written response to OPDC within five (5) Business Days from the date of OPDC's notice. If Contractor elects to submit a written response, OPDC will review the response and make a determination within five (5) Business Days after receipt of Contractor's response. OPDC may either terminate the Contract or notify Contractor that the issue has been resolved.

- B. OPDC may immediately terminate this Contract upon written notice if OPDC fails to receive funding, appropriations, limitations, allotments, or other expenditure authority as contemplated by OPDC's budget or spending plan and OPDC determines, in its assessment and ranking of the policy objectives explicit or implicit in its budget or spending plan, that it is necessary to terminate this Contract. Nothing in this Contract may be construed to permit any violation of Article XI, Section 7 of the Oregon Constitution or any other law regulating liabilities or monetary obligations of the State of Oregon.

OPDC's payment for amounts due after the last Calendar Day of the current State of Oregon biennium is contingent upon OPDC receiving funding, appropriations, limitations, allotments or other expenditure authority from the Oregon Legislative Assembly (including its Emergency Board) sufficient to allow OPDC, in the exercise of its reasonable administrative discretion, to continue to compensate Contractor.

- C. Contractor may terminate this Contract with cause with 30 Business Days' written notice should OPDC materially breach any duty, obligation, or service pursuant to this Contract. Contractor may terminate this Contract without cause with 30 Business Days' written notice.
- D. If this Contract expires or is terminated, Contractor shall continue to represent Clients that were previously assigned. OPDC and Contractor shall enact wind-down procedures as follows:
1. Contractor shall provide a list of all open Cases under this Contract to the OPDC Contract Administrator within seven (7) Business Days from the date of expiration or OPDC's final termination determination. For purposes of this section an open Case is defined as any Case that has not been closed per Case closure guidelines in Exhibit B.
The list must include the following information:
 - a. Client name;
 - b. Case number;
 - c. Assignment date;
 - d. Custody status; and
 - e. Attorney assigned.
 2. Case specific notes indicating status of Case and when withdrawal would be detrimental to the Client (e.g. impending trial or hearing, mental health issues, etc.).
 3. The OPDC Contract Administrator will review the list of open Cases to determine which Cases should be reassigned and which should remain with current Attorney. For any Cases that are identified for reassignment the OPDC Contract Administrator will determine if any local contractors have capacity for additional assignments.
 4. After the OPDC Contract Administrator completes their review, the OPDC Contract Administrator will provide a written recommendation to Contractor based on the list of Cases provided. At that time, OPDC may request that Contractor attempt to withdraw from one or more Cases. If a motion to withdraw is not granted, and upon judicial verification continued representation is required, Contractor will continue to provide Services.
 5. Any Cases taken by local contractors will be counted as new appointments.
 6. Timelines for this process will be in keeping with Section 14 (Contract Termination and Suspension).
 7. If termination is due to Misappropriation of Funds, non-performance of the Services, or fiscal mismanagement, Contractor shall return to OPDC those funds, unexpended or misappropriated, which, at the time of termination, have been paid to Contractor by OPDC.
 8. Nothing in this Contract will be deemed to constitute a waiver by either Party of any legal right or remedy for wrongful termination or suspension of this Contract.

15. REQUIRED NOTIFICATIONS

Contractor shall immediately notify OPDC in writing if one of the following events occurs:

- A. Bar Discipline. When it becomes aware that a complaint lodged with the Oregon State Bar has resulted in discipline, reprimand, suspension, or disbarment of any Attorney who is a member of Contractor's staff or subcontractors from whom Contractor has obtained Services.

17. HOLD HARMLESS AND INDEMNIFICATION

Contractor shall protect, indemnify, defend, and hold harmless the State of Oregon, OPDC and their officers, employees and agents from all liability, obligations, damages, losses, claims, suits, or actions of whatever nature that are related to, result from, or arise out of Contractor's employees' or agents' actions, decisions, work, advice, activities, or failures to act under this Contract. Any violation of this subsection constitutes a material breach of this Contract. Further, any violation of Contractor's warranty in Section 29.F of this Contract, also constitutes a material breach of this Contract. Any violation entitles OPDC to pursue any or all of the remedies available under this Contract, at law or in equity, including but not limited to:

1. Termination of this Contract, in whole or in part;
2. Exercise of the right of setoff, or garnishment, if applicable, and withholding of amounts otherwise due and owing to Contractor, in an amount equal to State's setoff right, without penalty; and

"Protected class" means a group of persons distinguished by race, color, religion, sex, sexual orientation, gender identity, national origin, marital status, veteran status, disability, or age. Contractor's compliance with this section is a material Term of this Contract, and Contractor's failure to comply constitutes a breach entitling OPDC to terminate this Contract or any Contract for cause.

Further, Contractor may not prohibit any of its employees from discussing the employee's rate of wage, salary, benefits, or other compensation with another employee or another person. By its execution of this Contract, Contractor certifies the truthfulness, completeness, and accuracy of any statement or claim it has made, it makes, it may make, or causes to be made that pertains to this Contract. In addition to other penalties that may be applicable, Contractor further acknowledges that if it makes, or causes to be made, a false claim or performs a prohibited act under the Oregon False Claims Act, the Oregon Attorney General may enforce the liabilities and penalties provided by the Oregon False Claims Act against Contractor. Contractor understands and agrees that any remedy that may be available under the Oregon False Claims Act is in addition to any other remedy available to the State or OPDC under this Contract or any Contract or any other provision of law.

Exhibit A – Compensation

The compensation for this Contract is detailed below. These amounts may be amended:

1. By mutual assent of the Parties;
2. By OPDC, in response to the breach, corrective action, and termination provisions established in Sections 13 and 14.

A. Payment Schedule

OPDC will provide payment for properly submitted invoices, pursuant to OPDC's Invoice Submission Form Procedure.

OPDC will pay via direct deposit within 45 days of receipt of the invoice and OPDC approval. Contractor is required to invoice in accordance with the OPDC Billing and Invoice Submission Policy.

B. Hourly Rates

Compensation and the method of payment shall be governed by the [OPDC Billing and Invoice Policy](#).

C. Reimbursable Expenses

OPDC shall review each request for Reimbursable Expenses and process those requests consistently with OPDC policies, necessary, reasonable, and properly payable from public defense funds.

Exhibit B – Billing Limitations for Hourly Services

Contractor agrees that it will provide Services in accord with the following limitations:

- A. When Contractor is offered appointments to represent Clients, and to provide Services in accord with this Contract to those Clients, it will not accept appointment if doing so would violate the Oregon Rules of Professional Conduct. Contractor agrees that it will only accept appointments to case types for which the assigned Attorneys are qualified and for which they have capacity to represent competently.
- B. Workload: Contractor agrees that it will monitor Attorney workloads to ensure those attorneys can meet their ethical obligations to each of their Clients. Contractor agrees to adhere to the Oregon Rules of Professional Conduct and the ABA's *Eight Guidelines of Public Defense Related to Excessive Workloads*.
- C. Case Closure: An Attorney may not close a Case that has been entered into a deferral, diversion, or conditional discharge agreement until the final judgment has been entered into the court register. Contractor shall close a Client's Case when:
 1. The final judgment or order has been entered into the court register, and Contractor has met all other contractual obligations:
 - a. If the appointment was for a probation violation, the Attorney shall close the Case upon disposition of the probation violation.
 - b. A judgment of dismissal constitutes a final judgment.
 2. A judge has signed an order removing the Attorney from the Case; or
 3. A bench warrant for a Client's failure to appear has been active for 180 Calendar Days.

Exhibit C – Additional Performance Requirements for Hourly Services

Contractor shall provide Services in accordance with the following:

- A. Continuity of Representation: Continuity of representation at all stages of a Case, sometimes referred to as “vertical representation,” promotes efficiency, thoroughness of representation, and positive attorney-client relations. Contractor agrees to make reasonable efforts to continue the initial Attorney assigned to a Client throughout all Cases for that Client during the Term of this Contract. Nothing in this section prohibits Contractor from making necessary staff changes or staff rotations at reasonable intervals, or from assigning a single Attorney to handle an aspect of legal proceedings for all Clients where such method of assignment is in the best interest of the eligible Clients affected by such method of assignment.
- B. Client Contact: An Attorney must conduct a Client interview as soon as practicable after representation begins. For Clients who are in custody, the initial interview should take place no more than 48 hours after appointment. For out of custody Clients, initial outreach to schedule an initial interview should occur no more than 72 hours after appointment. After the initial Client interview, Attorneys shall establish a procedure to maintain regular contact with the Client to:
1. Explain the allegations and nature of the proceedings;
 2. Meet the ongoing needs of the Client;
 3. Obtain necessary information from the Client;
 4. Consult with the Client about decisions affecting the course of the defense,
 5. Conduct a conflict check; and
 6. Respond to requests from the Client for information or assistance concerning the Case.
- C. Conflicts/Withdrawal: Conflicts of interest may arise in numerous situations in the representation of Clients. Contractor shall screen all Cases for conflict as soon as possible upon assignment and as needed throughout the discovery process. Conflict decisions will be governed by the Oregon Rules of Professional Conduct. If a conflict rises to the point where withdrawal is necessary, Contractor shall
1. Promptly notify the court;
 2. Ensure continuous representation of the Client until withdrawal is granted; and
 3. If withdrawal is allowed by the court, assist in the prompt establishment of a new attorney-client relationship once a new attorney is appointed.
- D. Attorney Withdrawal/Continuous Representation. Withdrawal from a Case must be handled in accordance with applicable court rules and procedures.
- E. Attorney Transition-Departure/Continuous Representation. When an Attorney leaves their Contractor, they shall comply with the Oregon Rules of Professional Conduct and are required to continue to represent Clients until other arrangements can be made for their Cases. If an Attorney continues doing public defense work funded by OPDC, the attorney shall take their existing Cases with them unless OPDC authorizes otherwise. If authorized, the attorney shall work collaboratively with OPDC to ensure the due administration of justice and the rights of their existing Clients are protected. If withdrawal is granted by the court, Cases should be reassigned within the Contract before transferring them to other local contracts.
- F. Attorney Succession:
1. Contractor shall maintain a written contingency plan addressing actions when an Attorney becomes unable to accept public defense cases under the Contract. Contractor shall:
 - a) Provide to OPDC the name and contact information for the individual who knows the location of the firm’s Client files, digital files including any passwords necessary to access files or information, and who has agreed to facilitate access to that information to any other Attorney taking over the cases.
 - b) Maintain a plan for ensuring Clients receive adequate communication in the event of the Attorney’s incapacity.

2. Contractor shall facilitate succession plans in the event of an Attorney's departure from this Contract. When an Attorney departs this Contract:
 - a) Contractor shall work with OPDC to ensure that the Attorney's Caseload is covered with as little disruption to the Client's cases as possible; and
 - b) Contractor shall make reasonable efforts to reassign the departing Attorney's Cases within the Contract before transferring them to other local contracts.
 - c) If no local contractors are available, OPDC may assign cases to the OPDC Trial Division, non-contract hourly counsel, or request that cases be placed on OJD's unrepresented list.
3. Contractor shall ensure Attorneys working under this Contract take the reasonable steps to ensure Client Case files are up to date and include:
 - a) the most recent Client contact information;
 - b) pending deadlines;
 - c) the names of any experts and investigators retained on the Case; and
 - d) any other information that would assist a subsequent Attorney in advocating on the Client's behalf.
4. An Attorney who leaves Contractor's employment may complete Attorney's previously assigned Caseload.
5. Contractor shall ensure Clients continue to receive representation when an Attorney leaves Contractor's employment.

G. Transition Planning: Contractor shall ensure departing Attorneys work with their OPDC Contract Administrator to verify the transition and reporting plan. If the Attorney is unable to continue representation of their Cases and is allowed to withdraw by the court, Contractor's Contract Administrator and OPDC will collaborate to reassign the Cases.

H. Proceedings Specifically Not Required: Representation under this Contract specifically excludes matters related to Department of Motor Vehicle license suspension hearings, domestic relations, excluding contested adoption proceedings, civil forfeiture proceedings, and other civil proceedings not otherwise provided for under this Contract.

I. Pre-appointment representation. Where an individual would be eligible for appointed counsel at state expense if charged with a crime, but exigent circumstances preclude an appointment order, upon written approval from OPDC.

Contractor may commence representation of a Client prior to appointment by the court in order to preserve and protect the rights of the Client. In determining whether to authorize pre-appointment representation, the OPDC will consider whether:

1. The individual is a clear target of an investigation that could result in criminal charges;
2. Contractor has a good faith basis to conclude the individual seeks counsel;
3. It is reasonable for Contractor to believe the person qualifies for public defense counsel; and
4. The Case is of a magnitude for which pre-indictment/petition appointment is reasonable.

J. Representation Obligations Following the Commencement of Proceedings: Contractor shall ensure the following occurs during the pendency of a case, through judgment or final order of the court, including, but not limited to:

1. Ensure that the assigned Attorney provides representation at all scheduled hearings and court proceedings. An Attorney must appear for their own Cases but may arrange coverage for non-substantive hearings if needed;
2. Seek pretrial release of all detained Clients when the Client so desires;
3. File timely and appropriate motions;

4. File or arrange for the filing of petitions for writ of mandamus or habeas corpus arising from the Case on which an Attorney is appointed. OPDC may have special counsel for this case type and Attorneys may request special counsel;
 5. Devote sufficient time to interviewing and counseling Clients;
 6. Ensure investigation is conducted;
 7. Consult with and/or retain all necessary experts or other professional service providers utilizing the PAE system if necessary;
 8. Pursue all avenues of discovery from the prosecution, both formal and informal;
 9. Review all available discovery in each Case. Clients may waive this obligation after consultation with Attorney. Attorney should obtain waiver in writing for the file;
 10. Conduct or supervise sufficient legal research to fully understand and prepare legal briefings on Client's Case; and
 11. Sufficiently prepare for all hearings, trials, and sentencings; and
 12. Obtain and review all applicable records including, but not limited to, medical, dental, school, employment, military, and mental health records.
- K. Post-Judgment Obligations: Following the entry of judgment or other final order in a Case, Attorney shall provide post-judgment representation in accordance with the Oregon Rules of Professional Conduct, including, but not limited to:
1. Seek modification or amendment of any judgment or final order that does not accurately reflect terms of sentencing or other disposition favorable to the Client that were agreed upon in resolution of the Case or pronounced by the court and through inadvertence or error, were not correctly included in a judgment or final order;
 2. Litigate issues of restitution arising from the Case until a judgment on restitution is entered by the court;
 3. Complete questionnaires, forms, or other processes necessary to timely obtain an appellate attorney for Clients requesting an appeal;
 4. Seek court orders or other remedies on behalf of a Client if a term of sentencing or other disposition favorable to the Client is not followed or implemented by a probation department, Department of Corrections, the Department of Human Services, the Oregon Youth Authority, or other entity having authority over the Client in connection with the subject of the representation;
 5. File a motion for new trial;
 6. File motions for reduction of certain felonies to misdemeanors, pursuant to ORS 161.705, when merited and requested by a former Client;
 7. Consult with an attorney representing the Client on appeal or in post-conviction relief proceedings arising from the subject of the representation; and
 8. Upon request, provide copies of the entire file to appellate or post-conviction relief attorney.
