Agent Contacts

Agent contacts are those individuals authorized by the agent to complete and submit monthly sales reports and supply orders for the agent. This contact person(s) is who OPRD will address all inquiries and communication to regarding the permit program.

Agents are required to complete/send an updated 2022 ATV Contact List with current contact information. Please notify OPRD immediately of any changes to contact(s).

Any person who is designated as an agent contact must have read this manual and/or received training from ATV permit program staff.

Agent Agreement

Agents are required to notify OPRD immediately of any changes to the business name, business location, mailing address or transfer of ownership in order to keep the ATV Operating Permit Agent Agreement valid and in force.
Management of Permit Inventory

• **Store permits so they may be accessed and sold in consecutive order.** One of the most effective management tools is keeping track of, selling and reporting the permit numbers in consecutive numeric order.

• **Keep all permit materials in a secure, locked area** and limit the number of people that have access to this area. The permits have a monetary value and need to be treated accordingly. **Permits that are lost or stolen remain the financial responsibility of the agent.**

• **WRITE LEGIBLY, press firmly and use a ballpoint pen when issuing a permit.** Fill out the permit so others can read and understand it. Do not abbreviate or leave out important information. Avoid follow up calls for clarification from OPRD and remember your customer is relying on you, the agent, to send accurate information to the State of Oregon regarding their permit purchase for entry into the State Database.

• **Submit Monthly Sales Reports** by the 10th of each month for the previous month’s sales.

• **Submit Supply Orders** as needed. Agents are provided with a permit starter inventory in December for the upcoming New Year. Thereafter, replenishment orders are the agent’s responsibility.

• **Agents are required to keep permit records for six (6) years** from date of sale including sales reports, supply order fulfillments and the seller’s pink permit copies.

• **Year End Reconciliation** – This process takes place beginning in January of each year. Agents will be notified of and required to return, any permits assigned to them during the previous year that remain unaccounted for. These are permits which have not been reported as sold, voided or returned to OPRD. Agents are financially responsible for any permit(s) they are unable to return.

• **Keep accurate accounting records.** Customer fees, except for the agent commission fee, collected from the sale of permits must be held separately from all other funds, or clearly identified in an accounting system.

• **Allow plenty of time for mailing.** When ordering materials, or sending in sales reports, anticipate mailing time and account for weekends and holidays. Do not wait until the last minute.

• **Permits are not transferable between agents** and are to be sold from the business location(s) listed on the ATV Operating Permit Agent Agreement. If an agent relocates, changes the name of the business, or transfers ownership of the business, please notify OPRD immediately.

When in doubt, email! If you are unsure about any aspect of issuing a permit, submitting reports, or managing inventory please contact us.

# Issuing Permits

- **NO AGENT SHALL CHARGE MORE THAN $10.00 FOR A PERMIT.**
  Per OAR 736-004-0060(4), 736-004-0045(6), ORS 390.580(5) & ATV Permit Agent Agreement

- **PERMIT SALES ARE FINAL:** once a permit is sold, no refund will be issued.

- **COMPLETE ALL FIELDS, WRITE LEGIBLY AND PRESS FIRMLY on the permit form using a ballpoint pen.** All customer information is entered into a State Database. Information must be clearly visible on the pink seller copy for records. If the customer refuses to provide the required information, do not make the sale.

- **KNOW THE PERMIT CLASSES:** train your staff and check the correct box. The gas tax funds allocated to the ATV program are determined by the number and class of ATV permits purchased. **See Page 5**

- **VOID A PERMIT: DO NOT DESTROY ANY PART OF THE PERMIT, THE ORIGINAL DECAL MUST BE RETURNED TO OPRD.** If an error is made while issuing a permit or a customer changes their mind simply write VOID across the permit decal and all permit copies. More information on pages 6 & 7

- To replace a permit or decal that is lost, destroyed or mutilated the owner must purchase a new permit. If an agent receives a request to replace a permit or decal with a manufactures defect; advise the customer to contact the Permit Program Staff. **AGENTS ARE NOT ALLOWED TO ISSUES A REPLACEMENT FOR A DEFECTIVE PERMIT AT NO CHARGE.**

- **RETAIN ALL RECORDS FOR SIX (6) YEARS.** Agents are required to keep record of all permits received and sold for six (6) years from the date of sale, including the seller’s pink permit copies.

### The numbering on this page corresponds with the example on the following page.

1. Sell permits in numerical sequence.
2. Mark the type of permit as Class I, II, III or IV. See “Vehicle Class Chart” on page 5 of this manual or the inside flap of permit book. Correct classification is very important.

4. Enter both the make (manufacturer) and model name (*i.e.: CRF 250 or Sportsman 550 not simply 250 or 550*) (*description of vehicle if model is unknown*). If the vehicle is homemade, list the MAKE as “Homebuilt”.
5. Enter the Vehicle Identification Number (VIN) provided to you by the owner. If the vehicle is homemade or the customer is unable to provide the VIN, a serial number or description of the vehicle is acceptable.

7. Enter the date you are selling the permit in the ‘Date of Issue’ field. Double check that the above field showing expiration month is completed. This is the same as the month of sale.
8. Enter your assigned Agent Number.

Managing Monthly Sales Reports

• **A Monthly Sales Report must be submitted each month. Even if no permits are sold.** The Monthly Sales Report accounts for permits sold by permit number and the amount of money collected each month.

• **The Monthly Sales Report period is the first day through the last day of each month.**

• **Due date of Monthly Sales Report is the 10th of the following month.** For example, the Monthly Sales Report for June is due on July 10th. Reports received after the 10th are considered late.

• **Submit ONLY ONE sales report for each month. Total of 12 reports per year. If you find permits from another month then see the following instructions:**
  - **Do Not Prepare A Separate Months Report**, if you discover permits sold from a previous month **AND** you have already submitted a sales report for that month. Simply include the discovered permits on the current month’s sales report. **HOWEVER**
  - **Prepare a Separate Months Report (Do Not Combine Monthly Sales)** if you **HAVE NOT** already submitted an individual months report and now have more than one month of sales to report. Do not combine the monthly sales, each month must be reported separately.

• **Sales reports are audited as they are received.** Agents are notified of any discrepancies via a Corrected Copy of the report and a Correction Letter. Keep both items for your records; they explain the discrepancy and if necessary, give directions to follow in order to correct it.

• **VOIDED PERMITS - DO NOT DESTROY VOIED PERMITS.** If you must void a permit, use a permanent marker and write “void” across the permit decal (*to prevent re-use*) and across the face of all permit copies. Return both the permit decal attached to the white “Customer Receipt” and the yellow “State Parks HQ” copy to OPRD with your Monthly Sales Report. Retain the pink “Seller Copy”, marked as a void, in the permit book for your records.

  **A PERMIT SUBMITTED AS A VOID WITHOUT RETURNING THE ORIGINAL PERMIT DECAL WILL NOT BE CONSIDERED A VALID VOID AND THE AGENT WILL BE RESPONSIBLE FOR THE FULL COST OF THE PERMIT**

• **Submit Monthly Sales Report to Below Address.** Submit both white copies of the monthly sales report. Submit the yellow state park copy of all permits listed as sold. Submit the original decal, the white customer copy and the yellow state park copy of all permits listed as void.

• **Keep agent copies of sales reports and permits for six (6) years.** Keep the yellow copy of the Monthly Sales Report and the pink ‘Seller Copy’ of each permit sold, or voided, for your records. You must keep records of all permits received and sold for six (6) years from date of sale.

4. Permit Count Totals
   a. Add the total “Number of Permits” and “Number of Voids” in each column
   b. Place total on “Permit Count Totals” line in corresponding column

Supply Orders

TIPS FOR MANAGING INVENTORY

- Monitor your supply of permits and anticipate one week for delivery. The one-week period may be shorter, but emergency requests for permits cannot always be accommodated.
- Supply orders are filled in the order that they are received.
- Permits are considered controlled inventory and are always sent via UPS Ground.
- Supplies will not be sent “overnight” for any reason, even at the expense of the agent.

Complete the “Supply Order Form” as shown then mail or email to:

Oregon Parks and Recreation Department
ATV Permit Program
725 Summer Street NE, Suite C
Salem, Oregon 97301-1266
Email: oprd.permits@oregon.gov

The numbering on this page corresponds with the example on the following page.

1. Enter your three-digit agent number.

2. Enter your agent/business name and physical location. Supplies are shipped via UPS, which requires a physical location. not a post office box.

3. Indicate the quantity of each item you are requesting (ATV Permits come in books of 25).

4. Do not write below this line, this shaded area of the form is for OPRD-Salem use only.

5. An authorized agent contact must sign and date the supply order form.

6. Mail both the white and yellow copies to OPRD; retain the pink copy for your records; the yellow copy will be returned with your supplies.

Receiving Shipment of Controlled Items

Upon receipt of the shipment of supplies, compare the receipt to the supplies received. Agents are responsible for keeping track of all permit inventory received from OPRD. Therefore, if you find any discrepancies or missing permits in the supplies received from OPRD, contact the permit program staff immediately.

# Returning Unused Inventory

## WHEN DOES AN AGENT RETURN INVENTORY

In January, each agent is provided with a new supply of permits because the previous year’s permits are no longer for sale; therefore, they must be returned to OPRD.

Upon termination of the agent agreement by the agent or OPRD.

Recall of permits by OPRD for any reason.

## Completing Unused and Returned Permit Inventory Form

### GETTING STARTED

Before completing the form, arrange the permits (and/or permit books) you are returning to OPRD in numerical order. This will make it easier to list the permits on the form in numerical order, sequence by uninterrupted sequence.

If you have used only a portion of the book, return only the unused permits with the original permit decals and all corresponding yellow copies to OPRD. You keep the pink ‘Seller Copy’ of any permits issued out of the same book for 6 years.

The numbering below corresponds with the example on the following page.

1. Check the ATV Permits box on the upper right hand corner of the form.
2. Enter the Agent Business Name and Agent Number.
3. Returned Inventory Section
   a. **Permit Serial Numbers**: List all returned permits in numerical order, sequence by unbroken sequence. Break the sequence if there is a missing permit, or a change in the numbering sequence. List one unbroken sequence per line.
   b. **Beginning Number** is the lowest permit number of the unbroken sequence.
   c. **Ending Number** is the highest permit number in the same unbroken sequence.
   If only one permit is listed in the unbroken sequence the beginning and ending number are the same.
4. Number of Permits
   a. Calculate the Number of Permits in each unbroken sequence using the following formula
   b. “Ending number” minus “beginning number” plus 1 equals the “number of permits” in the sequence.
   i.e.: 1726775 – 1726701 = 74 + 1 = 75
   c. Double check that this number matches a manual count of the permits.
   d. If it does not, then something is wrong in the sequence. Re-check the permit numbers, re-calculate and recount the permits to determine the cause and correct the reporting error.
5. Total the column under ‘Number of Permits’. The total should match a manual count of all permits you are returning to OPRD. Please note: The shaded area is for OPRD verification of returned permit inventory.
6. **Sign and date the form.**

Mail all unused permit inventory along with the white and yellow copies of the Unused & Returned Permit Inventory form to:

Oregon Parks and Recreation Department  
ATV Permit Program  
725 Summer Street NE, Suite C  
Salem, OR 97301

The yellow copy will be returned to the vendor after the returned inventory is audited by OPRD.
