

Oregon All-Terrain Vehicle Safety Education Card

Training Endorsement Request

Mail this form and proof of training to:
Oregon Parks and Recreation Department
Attn: ATV Safety Program
725 Summer St NE, Ste C
Salem, OR 97301-1266

Youth riders under age 16, operating class I (quads), Class III (motos), and Class IV (youth-sized side x sides) must have received both online safety training as well as hands-on training to receive an ATV Safety Education Card. The initial ATV Safety Card, showing the date that the operator received their hands-on training certification, will be issued at no cost. This form shows that you, or someone you supervise, have previously received training by an instructor of an approved hands-on certification provider.

NOTE: Completion of the online safety course, located at RideATVoregon.org, is required before an endorsed card can be generated.

To be processed, please print neatly and fill out the form completely.

I request an endorsement on my Oregon ATV Safety Education Card

ATV Safety Education Card Number: _____ Date Sent: _____

Rider's Name: (Last, First, MI): _____

Date of Birth: (mm/dd/yyyy): _____ Phone #: _____
