Cascade Siskiyou Scenic Bikeway Plan
April 2015

Proponent Contacts: see spreadsheet.

Sign Location Table: ODOT, Jackson County, the BLM and the City of Ashland have reviewed and approved the sign location table, available here.

Map/Cue Sheet review: Proponent group and others have reviewed and approved the map.

Records of Meetings: An open house was held September 30th, 6:00-7:30p, at Pioneer Hall in Ashland. 16 people attended (including 4 members of the proponent group). Seven surveys were filled out and all were in favor of the proposed route. Most attendees also expressed interest in participating. One negative letter was received by OPRD staff following the media coverage of the meeting.

A Scenic Bikeway Workshop was hosted by Travel Oregon, OPRD and the proponent group on March 18th 9a-4p, with a follow up proponent group meeting the following morning.

OPRD will hold a public meeting on April 22nd, 2015.

Preservation & Enhancement Goals: A variety of input has been received regarding potential goals for preservation and enhancement of the route. Much of the input relates to items that will be covered as part of the designation (wayfinding signage, mapping, promotion), some has to do with maintenance (better paving and sweeping practices), and some is focused on improving/expanding support facilities.

The prioritized goals from the workshop are:

- Marketing & partnership alignment- consistent messaging and information dispersal to all partners in the region
- Interpretive kiosk/map at Garfield Park with information on route, safety, education, and a “trail” registry
- Hiker/biker camps at Emigrant Lake and/or Howard Prairie Campgrounds

See the attached notes from the workshop, as well as the three action plans addressing these topics.

There are additional action items on the proponent group task list, along with the specific items relating to DMO’s and business outreach below. Other items that did not make the current list but could be future considerations are: installing “Share the Road”-type signage, developing a regional brochure/website that includes other routes, complete pavement repairs (Hyatt Prairie), and addressing cattle guards.
Work with local tourism DMO’s: Ashland Chamber’s Visitor & Convention Bureau promotes Ashland’s culinary, cultural and outdoor amenities. The Outdoor pillar promotes Ashland’s natural beauty, recreation, events and exploring Ashland’s outdoors and surrounding areas. There are many opportunities to promote and support the scenic bikeway through itinerary planning, way-finding, editorial development, outreach and promoting within the tourism industry throughout the state through our regional and statewide partners.

Outreach/Education to local businesses: The proponent group, with the Ashland Chamber taking the lead, will create a 1-pager on the details and benefits of the Scenic Bikeway, including where to send patrons for more information. Much of this was explained and discussed with all attendees at the Travel Oregon Scenic Bikeway Workshop held on March 18th. With the momentum of the workshop, many businesses, including the entirety of the Ashland Chamber membership and businesses associated with cycling and cycle tourism throughout the Rogue Valley were made aware of the route and the resources.

The proponent group will also hold a Bicycle Friendly Business Workshop to encourage local businesses to participate in the program.

DMO has reached out to the following businesses specifically (priorities in bold) and they are all in support: **Green Springs Inn**, Pinehurst Inn, **Howard Prairie Resort**, Oak Knoll Golf Course, Mt. Ashland, Caldera Restaurant and Brewery, Ashland Hills Hotel & Suites, Windsor Inn, Ashland Outdoor Store, Mountain Supply, Bayberry Inn, **Cycle Sport**, **Siskiyou Cyclery** and other cycle shops around Ashland.

Web Action Items: to info@rideoregonride.com and alex.phillips@oregon.gov

Jackson County Parks is committed to posting updates on the road conditions (i.e. when the snow is melted, the roads are open, etc.); and the Siskiyou Velo and John Baxter (as well as others) will post “fun” updates and photos throughout the riding season.

Ride Description:

The Cascade-Siskiyou Scenic Bikeway is a challenging 55 mile loop starting and ending in Ashland, with nearly a mile of vertical climbing through the diverse ecosystems where the Cascade Mountains meet the Klamath and Siskiyou ranges. The region is so ecologically significant that in 2000 the President proclaimed 62,000 acres of it the Cascade-Siskiyou National Monument.

Just past Emigrant Lake reservoir south of Ashland, Oregon Highway 66 climbs oak-dotted mountainsides with spectacular views of the Bear Creek Valley and Pilot Rock, a 25-million-year-old volcanic plug standing sentinel over the valley. In spring, wildflowers cover this savannah ecosystem as red tailed hawks soar overhead.

Riders soon leave the exposed, warm oak savannah and enter the Cascades ecosystem, with tall pines and Douglas firs providing welcome shade on the way to 4,551’ Greensprings Summit. The Bikeway
continues along forested Highway 66 to the intersection of Hyatt Prairie Road. Riders can opt for refreshments at bike-friendly Greensprings Inn; or keep riding past the intersection for a five-mile out-and-back to historic Tub Springs State Park, where they can fill their bottles with cold, pure mountain spring water, just as emigrants traveling the Applegate Trail did in the 1800s.

Hyatt Prairie road climbs from Highway 66 and crests at Hyatt Reservoir. Here riders can glimpse osprey and bald eagles nesting near the water. This begins a fun, 13-mile rolling stretch past Hyatt Reservoir and Howard Prairie Lake, with views of 9,000 foot Mount McLoughlin to the northeast.

The route turns onto Dead Indian Memorial Road, through the wildflower-covered alpine meadows of Lily Glen and Buck Prairie. One final three-mile climb remains summit before a thrilling, winding 13-mile descent back to Ashland.

Bike campers can plan a two-day adventure by overnighting at one of several campgrounds near Hyatt Reservoir or Howard Prairie Lake. A popular variation is a 35 mile out-and-back on Highway 66 from Ashland to the Greensprings Inn for brunch. There are also several options for extending the loop and experiencing even more of the fantastic cycling that Southern Oregon has to offer.

**Measuring effects:** The proponent group will follow up annually with a few key businesses along the route, and may be able to conduct counts. Jenna will take the lead on the counts, Katharine on the business follow up.

**Rider types:** The route is for those who are ride-focused, adventure/challenging oriented, and touring cyclists. It will also attract folks who want “combination trips”- bike touring plus theater, wineries, etc.

**Final road jurisdiction letters of support:** are attached.

Re: Parking at Garfield Park for the Cascade Siskiyou Scenic Bikeway

Dear Jenna,

This letter will serve as confirmation that the use of Garfield Park as a designated start/end point for the Cascade Siskiyou Scenic Bikeway was reviewed by the Ashland Parks and Recreation Commission and has been approved. This approval shall endure in perpetuity unless repealed by the action of the Ashland Parks and Recreation Commission.

We wish you and the bikeway the best of luck in the coming years. If you have any questions regarding this letter of approval, please feel free to call me at 541-552-2251.

Best regards,

Michael A. Black  
Director  
Ashland Parks and Recreation Commission
IN REPLY REFER TO:
8300/8357 (ORM060)

Ms. Alex Phillips
Oregon Parks & Recreation Department
725 Summer St. NE Suite C
Salem, Oregon 97301

Dear Ms. Phillips:

The Medford District Bureau of Land Management (BLM) would like to express our enthusiastic support for the Cascade/Siskiyou Lakes Loop Scenic Bikeway designation. Over the years we have seen a significant increase in the number of bicyclists who use the proposed Cascade/Siskiyou Lakes Loop route. We currently permit an annual bicycle race that uses this same route.

We have jurisdiction over three (3) miles of East Hyatt Lake Road between Highway 66 and the Hyatt Lake Recreation Complex on the proposed Cascade/Siskiyou Lakes Loop Scenic Bikeway route. We also manage many recreational areas and lands adjacent to the proposed route. A significant portion of the proposed Cascade/Siskiyou Lakes Loop Scenic Bikeway route passes through the Hyatt-Howard Special Recreation Management Area which provides for high-elevation lake and forest recreation opportunities. A portion of the route also passes through the Cascade-Siskiyou National Monument. The proposed route is consistent with the monument's Resource Management Plan which allows bicycles on open roads within the monument.

We believe the designation of a Scenic Bikeway will promote and provide for appropriate recreational use of both the Cascade-Siskiyou National Monument and Hyatt-Howard Special Recreation Management Area while benefiting the bicycling community by improving the quality of the biking experience. We are excited to promote recreation in Southern Oregon and give full support to the Cascade/Siskiyou Lakes Loop Scenic Bikeway designation.

Sincerely,

Dayne C. Barron
District Manager
Medford District
Bureau of Land Management
March 26, 2015

Alex Phillips  
Oregon Parks & Recreation Department  
725 Summer Street NE, Suite C  
Salem, OR 97301

Dear Ms. Phillips,

The Jackson County Board of Commissioners would like to express support for the Cascade Siskiyou Scenic Bikeway designation. The route has been long recognized as some of the best riding in Southern Oregon (and in the State) and we look forward to expanding efforts to promote bicycle tourism in our region.

The County has jurisdiction of several roads on the route including East Main Street, Hyatt Prairie Road and Dead Indian Memorial Road and understand that signage will be installed on these roads and reimbursement received for the work as part of the effort. The County also manages Emigrant Lake Park and Howard Prairie Lake Recreational Area and looks forward to promoting these parks as destinations for people riding the route.

Thank you for this opportunity to expand bicycle tourism in Southern Oregon!

Sincerely,

JACKSON COUNTY BOARD OF COMMISSIONERS

Re: Cascades/Siskiyou Lakes Loop Scenic Bikeway Application – ODOT Letter of Support

Dear Ms. Phillips,

The Oregon Department of Transportation (ODOT) Region 3 continues to provide our support for the Cascades/Siskiyou Lakes Loop Scenic Bikeway application and designation.

In addition to the economic benefits of bicycle tourism, ODOT believes that promoting bicycling has positive health and transportation benefits. Tourism in Southern Oregon encourages healthy lifestyles, and encouraging bicycling has the potential to reduce vehicular trips on the highway system.

We look forward to this action improving regional, multi-modal activities in Southern Oregon.

Please let us know if there is any way we can be of further assistance.

Sincerely,

Jerry Marmon
District Manager
541-774-6355

PRIORITIZED BIKEWAY GOALS:

*Parentheses = amount of votes*

- **(11) MARKETING:** Alignment in partnerships with Ashland Visitor Bureau, Medford Chamber, So. Oregon Sports Commission, So. Oregon visitor Association, Travel Oregon, Government, ODOT, BLM, Siskiyou Velo Club, hotels, National Park Service (BLM)
  - Messaging
  - Information on websites/calendars
  
  **GOAL:** develop bikeway presence on partnerships to increase awareness of it
  - Consistent message
  - Identify all the partners

- **(7) INFRASTRUCTURE:** Interpretive signage and kiosk at Garfield Park w/ info, safety info, education, etc. AND Trail Registry

- **(5) BUSINESS SERVICES:** Hiker Biker specific camp

- **(4) BUSINESS SERVICES:** At mile markers: #40 and #12 having a bike kiosk with covered area, water, bathroom (infrastructure)

- **(2) EVENTS:** Re-start the Mtn Lakes Challenge Bike event with more support, $, partnerships and coordination

- **(1) INFRASTRUCTURE:** Emergency service shuttle (infrastructure)

- **(1) BUSINESS SERVICES:** Continuity within route and town / united front for visitors

- **(1) INFRASTRUCTURE:** Replacing water fountains with better water fills as they don’t work well for water bottles

- **(0) INFRASTRUCTURE:** Maintenance practices such as sweeping for snow cinders

- **(0) EVENTS:** Adding bike component to non-biking events such as “Bike to Brit...” with Transport back

</tbody>
</table>
REGIONAL TRAILS PROGRAM GRANTS

- Upon designation, Scenic Bikeways become State trails and are eligible for Recreational Trail Program Grant.
- Funding must be run through nonprofit or public agency
- Timeline: Opens 2016, $1.5M per year, average grant size is $70K. Maximum grant is $150K
- Requires 80/20 matching grant
- Contact: Laura Underhill, State Parks and Recreation Dept. Laura.underhill@oregon.gov

SCENIC BIKEWAY IMPLEMENTATION

DECISIONS:

- Jackson County will be the lead convener for the Scenic Bikeway and oversee the work of the Proponent “Committee”
- The County will convene the Proponent “Committee” every 6 months starting July 2015 (if designated)
- Proponent Committee standing agenda items are:
  - Evaluate/Assess and maintain partner relationships
  - Review and evaluate progress on Preservation and Enhancement goals
  - Evaluate the Scenic Bikeway route (updates provided by ML Moore and John Baxter)

BIKEWAY DESIGNATION TIMELINE

April 1st – Plan due
April 23rd – Public meeting
June 24th – Commission votes
June 25th – Press Release
July – November – Intergovernmental agreements developed and road signs installed (late Fall)

MESSAGING ALIGNMENT

<table>

</tbody>
</table>
NEXT STEPS

1. ACTION PLANS
   - Complete action plans for top three Preservation and Enhancement goals priorities
   - Leads:
     o Hub/Michael Black – Ashland Parks and Recreation
     o Hiker Biker/Steve Lambert – Jackson County
     o Message Alignment/Katharine Cato – Ashland Chamber
   - Due date: Friday, March 27
   - Send to: Jenna Marmon – Jackson County

2. BIKEWAY PLAN EXAMPLES – Alex to send examples of good Bikeway plan

3. ACTION PLAN TEMPLATE – Staj to send this (done)

4. LOGGING TRUCKS – Jenna Marmon to communicate with RVACT about logging trucks

5. PUBLIC MEETING – Thursday, April 23, 2015 at 5:30PM
   - Michael Black to book space
   - Jenna Marmon and Katharine Cato to lead publicizing it (is this right?)

WORKSHOP AND WORK SESSION EVALUATION

PLUS:
   - Created momentum and camaraderie
   - Workshop helpful and informative
   - Feel appreciated by State and Travel Oregon
   - Promoted wider community support and project commitment
   - Workshop and Session were relevant – kept moving
   - Good meeting control
   - Good flexibility during meeting

DELTA:
   - If not designated, we would be upset at spending 1.5 days focused on this
   - Lost key people in the afternoon (bike shops, other businesses)
   - Afternoon agenda wasn’t clearly communicated in the morning or during RSVP process – we told people the most benefit would be during the morning – would have liked them to come to afternoon session.
   - Could you shorten the workshop to 9:00 – 1:00 and do background info through other means?
   - Would like to hear more from locals
   - Do away with panel or do at lunch
   - Provide plan examples from other successes
   - Introduce new comers throughout the day
   - Don’t do web of connection intro activity
Goal or Project Name: Cascade Siskiyou Scenic Bikeway

Lead’s Name: Steve Lambert

Lead’s Email Address and Phone Number: lambersm@jacksoncounty.org (541) 774-6303

Instructions: First, on a separate piece of paper, brainstorm all action steps that can be accomplished in the next 6 – 24 months and that will likely contribute to the accomplishment of this specific goal/ project. Then determine the best order for action steps and list them below in the action steps column. Then complete the rest of information in the action plan for each action step.

ACTION PLAN DEFINITIONS
<table>
<thead>
<tr>
<th><strong>Goal/ Project Name</strong></th>
<th>The name of the objective that is the focus of the action plan</th>
</tr>
</thead>
<tbody>
<tr>
<td><strong>Lead’s Name</strong></td>
<td>The person who is responsible for development and oversight of the action plan – they are the “owner” or project lead for the strategy</td>
</tr>
<tr>
<td><strong>Action Steps</strong></td>
<td>Major steps that must be taken in order to implement the goal/action item/project</td>
</tr>
<tr>
<td><strong>Primary Person</strong></td>
<td>The person responsible for a specific action step</td>
</tr>
<tr>
<td><strong>Key Informants</strong></td>
<td>People that have a stake in this work – they may provide important information or be part of the action planning process. Note, they do not need to be here today – could be someone you contact after workshop</td>
</tr>
<tr>
<td><strong>Resources Needed</strong></td>
<td>Resources are an estimate of materials, staff and money needed to execute a specific action step</td>
</tr>
<tr>
<td><strong>Start and Completion Dates for each major step</strong></td>
<td>Date to begin the work and estimated date when it will be completed</td>
</tr>
<tr>
<td><strong>Status as of Date (XX/XX/XXXX)</strong></td>
<td>Indicates if action step is On-Track, Delayed or Stopped. To be filled out as action planning is underway to communicate project status to stakeholders</td>
</tr>
<tr>
<td><strong>Notes and Comments</strong></td>
<td>Insert narrative for reporting key issues, concerns, successes and opportunities for the reporting period</td>
</tr>
</tbody>
