Oregon Parks and Recreation Commission April 24, 2024

Agenda Item: 10b Information

Topic: SAIF video featuring state park field staff

Presented by: Stefanie Knowlton

OPRD partnered with SAIF Corporation to feature our hard-working rangers in the popular YouTube Series called "Oregon Odd Jobs," which features jobs around the state and the people who do them safely.

Staff at Beverly Beach and Milo McIver demonstrated the work of rangers with safety and expertise to highlight the importance of job safety for all Oregonians. Rangers showed their skills in cutting down a hazard tree, cleaning a bathroom, picking up trash and making water safe to drink at the water treatment plant at Beverly Beach.

Rangers included: Aaron Bronson, Nick Eie, Jim Piccolotti and Peter McBride with support from their managers Jered Mangini and Sam Gibson.

The collaboration was made possible through a partnership between Communications Division and Safety and Risk Management. The team included Stefanie Knowlton, Amber Allen, Robert Smith, and their respective managers Jason Resch and Patty Smith.

But the real stars are the crews at these two parks and all the others around the state who do this work every day.
