ELIGIBLE FOR OVERTIME:

SECTION 2. PROGRAM AND POSITION INFORMATION

a. Describe the program in which this position exists. Include program purpose, who's affected, size, and scope. Include relationship to agency mission.

Oregon Parks and Recreation Department (OPRD) fulfills its mission to “Provide and protect outstanding natural, scenic, cultural, historic and recreational sites for the enjoyment and education of present and future generations” by operating a system of State Parks Recreation, Historic and Natural Areas; by managing special programs including Scenic Rivers, Recreation Trails, Historic Preservation, and Ocean Shores; and by providing assistance to local governments for recreation and heritage conservation. OPRD serves more than 45 million visitors per year through a State Parks Recreation system of more than 250 park areas statewide. OPRD does this through its vision of “Taking the long view to protect Oregon’s special places and provide the greatest experience while creating stable future funding”. OPRD upholds its mission and vision through the following operating principles: Accountability, Commitment, Empathy, Empowerment, Fun, Integrity, Respect and Well Being. The agency’s current approved budget information can be found at www.oregon.gov/oprd under Budget & Facts.

The Valleys Region is one of three operating regions within the OPRD Operations Directorate. The Valleys Region consists of 2 districts, and 10 management units that maintain park facilities; provide visitor services and on-site management to OPRD properties in 12 Oregon counties. The Valleys Region has 69 parks, waysides and recreational area properties and the Willamette River Greenway (95 parcels). Facilities and programs include 11 overnight camps and 58 primary day-use areas, various hiker/biker, horse and group camps, concessions, agricultural leases, State Recreation Trails and Scenic Waterways, historic buildings and volunteer groups, recreation and visitor service programs. The region
staff consists of approximately 200 year-round and seasonal FTE, and operates with a biennial budget in excess of $22 million.

The West Columbia River Gorge Management Unit consists of 5,903 acres in Multnomah County. There are 52 campsites, six formal day-use picnic areas, seven day use parks, three islands, two viewpoints and five trailheads which receive approximately 26,000 camper nights and approximately 4 million day use visits annually. The biennial revenue from the unit is approximately $2 million. The biennial maintenance and operation budget is approximately $3.1 million. There are 11 full-time positions and 23 seasonal positions. Approximately 10,080 volunteer hours (5 FTE) are donated each year.

b. Describe the primary purpose of this position, and how it functions within this program. Complete this statement: The primary purpose of this position is to:

perform, conduct and oversee a variety of tasks in order to protect, maintain, operate and repair state park lands, natural and cultural resources, structures, facilities, equipment and systems by using skills in building trades, including carpentry, electrical, plumbing, painting and landscape maintenance, as well as specialized program skills (e.g.: resource interpretation, cultural and natural resource restoration, utility infrastructure operation, park rule enforcement, etc.) related to the maintenance and operations of OPRD programs, properties within the Columbia River Gorge Management Unit.

SECTION 3. DESCRIPTION OF DUTIES

- Keep toilet paper and paper towel dispensers filled;
- Collect, separate and properly dispose of garbage and recyclable materials;
- Clean fireplaces, tables, footpaths, parking areas, wastewater disposals, signs, drinking fountains and other small fixtures;
- Pick up and properly dispose of litter;
- Replace burned-out lightbulbs and re-set circuit breakers in buildings and campsites as needed;

Building Maintenance and Construction

- Maintain and repair building plumbing systems requiring basic plumbing skills, including: unclogging toilets, sinks, drains, water and sewer lines; repairing or replacing sinks, toilets, urinals, faucets, hose bibs, flushometers, washers and gaskets; repairing ABS, PVC, Pex, copper, iron and galvanized pipes and fittings; connecting pipe with solvent cements, solder, compression, flange and threaded connections;
- Maintain, repair or construct building structural elements requiring basic carpentry skills, including walls, floors, ceilings, partitions and roofs using hand and power carpentry tools;
- Maintain and repair building electrical systems requiring basic electrical skills, including: resetting circuit breakers and replacing fuses; replacing light bulbs, outlets, switches, cover plates and circuit breakers;
- Maintain and repair building fixtures including: mirrors, paper product dispensers, electric hand-dryers, shelves, windows and doors, door closers, hinges and locks, eave troughs and downspouts;
- Paint buildings and other structures using brushes, rollers and spray equipment, properly clean tools and dispose of cleaning solutions;

Facility Maintenance and Construction

- Construct, maintain and restore hiking trails, using hand and power construction tools to remove vegetation, cut and fill contours to establish trail lines, prepare and finish trail crowns, install water bars, culverts and footbridges, apply gravel or wood chip surfaces;
- Construct, maintain and restore footbridges: check bridgeheads, stringers, treads and handrails for dryrot or other defects; use hand and power carpentry and construction tools to build new or repair existing bridges;
- Construct, maintain and restore footpaths, parking areas and curbs, using asphalt, concrete, packed gravel and paver blocks; use hand and power tools to prepare and place surface materials;
- Construct, maintain and repair signs, posts and cluster structures, water fountains, permanent and portable tables and benches, fireplaces and barbecue stoves, wastewater disposals, campsite utility (water, sewer and electrical) connections, bulletin boards;
- Keep trails, footpaths, bridges and parking areas free of vegetation, sand, soil, rocks and snow;

Utility System Maintenance and Construction

- Maintain water distribution and treatment, and wastewater collection and treatment systems in good operating order: inspect, clean, lubricate and perform periodic tasks as required on lines, valves and equipment;
- Isolate and remove pumps requiring repair; perform repairs within the limits of training, licenses and experience;
- Winterize all park buildings and water lines by draining and blowing lines as required, activate buildings and water lines for seasonal use;
- Record water and sewer meter readings, take and report chlorine residual samples, prepare and submit distribution, collection and treatment plant reports as required;
- Identify, correct and report water and sewage system failures as required;
- Obtain water and sewage samples and submit to laboratories for tests as required by DEQ and DHS permits;
- Order and maintain appropriate stocks of treatment chemicals, equipment parts, testing supplies;
SECTION 3. DESCRIPTION OF DUTIES

- Identify and repair water and sewer system breakdowns including equipment malfunctions, leaks, infiltration;
- Maintain and repair park electric systems within the limits of training, licenses and experience: reset circuit breakers and replace fuses, replace light bulbs, outlets, switches, cover plates and circuit breakers in campsite electric hook-ups;
- Maintain updated utility system maps, report changes to HUB;

Park Patrol, Safety and Rule Enforcement

10%

- Patrol park areas to protect and preserve resources and facilities by checking for misuse, undesirable activities and hazardous situations, and take appropriate action as dictated by training and experience;
- Inspect park grounds, buildings, facilities, vehicles, material and equipment for safety hazards and possible violations, and take appropriate action as dictated by training and experience, prepare inspection reports, job hazard analyses, incident investigations and other reports as required;
- Maintain vehicles, work sites, buildings, maintenance shops, yards and storage areas in clean, safe condition;
- Maintain a current patrol log book and prepare patrol and enforcement action reports for park management;
- Explain park rules and regulations to park visitors;
- Seek voluntary visitor compliance with park area rules and regulations; issue verbal and written warnings as necessary;
- Issue citations for rule violations as necessary; prepare related reports; testify in court as required;
- As authorized, issue notices of exclusion;

Other Duties

5%

- Conduct and coordinate volunteer activities within the management unit: recruit, schedule and train park hosts, individual volunteers and volunteer groups, ensure that required forms, records and reports are completed, coordinate volunteer projects and activities to meet park needs, provide management with information relating to volunteer performance;
- Assist in the hiring interviews for permanent and seasonal employees;
- Participate in organizing, coordinating and facilitating OPRD-partnership, sponsored or special events, activities or programs.
SECTION 4. WORKING CONDITIONS

Describe any on-going working conditions. Include any physical, sensory, and environmental demands. State the frequency of exposure to these conditions.

Work is performed in, on and around buildings, facilities and grounds, inside and outside in all weather conditions. Occasionally works in office operating computers and other office equipment. Needs adequate vision and hearing, manual dexterity, communication and motor skills to perform the duties of the position, including emergency response situations. Walks up and down inclines and stairs, over rough, uneven, and slippery terrain or paved surfaces and over distances up to 5 miles. Works in stairwells and on ladders, scaffolds, and rooftops. Reaches above shoulder level and occasionally works on hands and knees. Bends, stoops, crouches, kneels, crawls, climbs, twists, pushes and pulls in regular performance of duties. Drives a variety of motorized vehicles. Maneuvers, manipulates, and operates hand and powered tools and heavy equipment. May sit or stand for long periods of time. May lift and move up to 50 pounds on a regular basis and up to 100 pounds or more with assistance. May work in congested work areas, confined spaces and remote locations. Frequently interacts with the public. Occasionally works alone, within phone or radio communication. May work irregular shifts (split, evenings, weekends, holidays) and overtime. May travel overnight to other parks, headquarters, or other agency facilities for training and meetings. May be exposed to environmental and chemical hazards, allergens, and odors standard to area of assignment, such as high noise, chemicals, and fumes requiring safety controls. Cleans up and disposes of human-generated waste, animal waste and carcasses. May be exposed to hostile and offensive language and actions from the public. Uses appropriate safety and personal protective equipment and follows established safety policies, practices and procedures. Performs duties of position with or without reasonable accommodation.

SECTION 5. GUIDELINES

a. List any established guidelines used in this position, such as state or federal laws or regulations, policies, manuals, or desk procedures.

b. How are these guidelines used?

These guidelines form the basis for interacting with employees, the public and with other government agencies; for dealing legally and effectively with situations which arise in the management of park properties. They are used to determine the priorities and procedures needed to accomplish management unit activities and objectives. They describe the relationship of field operations to other divisions and programs within OPRD.

SECTION 6. WORK CONTACTS

With whom, outside of co-workers in this work unit, must the employee in this position regularly come in contact?

<table>
<thead>
<tr>
<th>Who contacted</th>
<th>How</th>
<th>Purpose</th>
<th>How Often?</th>
</tr>
</thead>
<tbody>
<tr>

<td>As needed</td>
</tr>
</tbody>
</table>
SECTION 7. POSITION RELATED DECISION MAKING

Describe the typical decisions of this position. Explain the direct effect of these decisions.

The person in this position is given authority for decision making by the Park Manager (or Park Ranger Supervisor). This person will make decisions related to the actual procedures and resources used to complete assigned tasks and actions to be taken during visitor contact, rule enforcement or emergency situations. Decisions are based on training, job knowledge, written guidelines, oral instructions and job experience. These decisions result in the overall quality of the park visitors’ experience; in well-maintained and safe park facilities; and in cost effective productivity.

SECTION 8. REVIEW OF WORK

Who reviews the work of the position?

<table>

<td>Annually or at the completion of an assignment.</td>
<td>The work is reviewed for context, quantity, quality and conformance to department policy, procedures and success in achieving Management Unit goals and objectives.</td>
</tr>
</tbody>
</table>

SECTION 9. OVERSIGHT FUNCTIONS

a. How many employees are directly supervised by this position? NONE
   How many employees are supervised through a subordinate supervisor? NONE

b. Which of the following activities does this position do?

- [x] Plan work
- [ ] Assigns work
- [ ] Approves work
- [ ] Responds to grievances
- [x] Disciplines and rewards
- [ ] Coordinates schedules
- [ ] Hires and discharges
- [ ] Recommends hiring
- [x] Gives input for performance evaluations
- [ ] Prepares & signs performance evaluations

SECTION 10. ADDITIONAL POSITION-RELATED INFORMATION

ADDITIONAL REQUIREMENTS: List any knowledge, skills, certificates and licenses needed at time of hire that are not already required in the classification specification:
Background check and driving record must meet OPRD standards at the time of hire and throughout employment. Must possess a valid driver’s license at the time of hire. Must wear OPRD-supplied uniform and comply with appearance code when on duty. Must comply with and adhere to applicable federal, state, local, and agency rules, laws, standards, and policies. Must obtain Oregon Driver’s License, First Aid/CPR Certification and OPRD Enforcement Officer Status after appointment. Must obtain an Oregon Pesticide Applicators License within 18 months after appointment.

The person in this position must have:
• Skill in listening to what people say and asking appropriate questions to obtain needed information.
• Skill in providing factual information based on observation, knowledge and understanding.
• Skill in common courtesy while communicating with others.
• Skill in maintaining composure and taking appropriate action during emergency or emotionally charged situations.
• Skill in the use of a personal computer.
• Skills and knowledge of basic park resource and facility operations and maintenance and/or resource interpretation.
• Skill in evaluating situations, applying rules and guidelines, determining and carrying out appropriate course of action to achieve desired results.
• Skill in leading individuals or a small group in accomplishing basic tasks.

In addition, some or all of the following skills may be required for specific positions:

Visitor Services
• Skill in park rule enforcement as demonstrated by successful completion of OPRD Professional Officer Safety Training, in-service and recertification trainings.
• Skill in resolving customer complaints related to day use fees and park rule interpretation.
• Skill in maintaining partnerships including federal and state partners as well as nonprofits including Mazamas, Northwest Youth Corps, AmeriCorps and SOLVE.
• Skill in leading corrections and other work crews.

Operation and Maintenance
• Skill in the safe use of tools, material and equipment associated with landscape, building, facility and utility system maintenance.
• Skill in performing basic plumbing, carpentry, painting, roofing, light electrical and landscaping.
• Skill in maintaining buildings, including doors, windows, partitions, sinks, toilets, gutters, down spouts.

Natural Resources
• Ability to identify native, naturalized, exotic and invasive vegetation.
• Understanding of basic ecology with regards to river systems, riparian zones and habitat types.
SECTION 11. ORGANIZATIONAL CHART

Attach a current organizational chart. Be sure the following information is shown on the chart for each position: classification title, classification number, salary range, employee name and position number.
