How to Request a Letter from SHPO

For paper submissions:

In order to review the project for cultural resources the State Historic Preservation Office requires four pieces of information

1. Your full name, complete mailing address, email address, and contact information
2. A brief description of the proposed activity (e.g. logging, road construction)
3. The County, and address or legal description (e.g. Township/Range/Section) of the project area
4. A map clearly delineating the project area

Example map:

This information can be submitted via regular mail to:

Oregon SHPO
725 Summer Street NE
Salem, OR 97301

For electronic submissions:

Please follow the Go Digital instructions.

Note: On occasion projects require additional archaeological investigations which have to be completed by an archaeologist. A directory of available Oregon contractors can be found on our website.
