View Looking South

12th Street to your right

Maddox Dance Studio

Portions of the Maddox Dance Floor bottom left

Southwest Hall Corner

Maddox Dance Studio to your right

Looking East from SW Corner

Window above Stage Door

Original Sky Light

The reason for Seismic Upgrades

The Project Begins

Asbestos Abatement

Above the Supper Club

Demolition is next

Recycled to the Dragon Kiln

Maddox Dance Floor

Metal Recycling

Former Tenant Entryway

Down to the bare bones

Paintings in balcony (house right) are painted other side of the brick wall

Seismic Upgrades

most of the work was in the attic

Notice the hole in the wall

Plumbing in 30 foot air shaft

Top of the new entry

1216 Duane Street

Framing Begins

Hampton Affiliates donated all the wood

Still with me

Gypcrete

And then it got really quiet

One at a time

Seismic Upgrade – Chimney bricks came down

Inlaid section with salvaged portions of our floor and Maddox Dance floor

Cal Poly's State Championship Basketball Floor

Becomes a “sprung” Dance Floor

Same colors as the Ducks – had to go!

Solid Beechwood

1216 Duane with original floor

Paulson Pavilion

Jilly's Chandelier

Studio A

Studios B & C
