Did anyone know **all** the guidance documents you saw on the previous slide?  
Are there any that you had never heard of before?

How do you think we should define Guidelines vs. Bulletins vs. instructions?

If you have a question, do you usually know which document to go to for answers?

Do you know where to find all of the documents on our website?

Do you feel they are organized in a way that makes it easy to locate the information you want?

What do you do if you can't find the information?

How do you tend to use the guidance documents?

What is missing from our current guidance that you would like to see?

Is there anything you find confusing that could use clarification?

What kind of guidance do you need from us?
