

# OREGON MAIN STREET REVITALIZATION GRANT 2022

OREGON HERITAGE, OREGON PARKS AND RECREATION DEPARTMENT

---

The Oregon Main Street Revitalization Grant supports downtown revitalization efforts in communities participating in the Oregon Main Street Network.

The purpose of the program is to;

- Acquire, rehabilitate, and construct buildings on properties in designated downtown areas statewide; and
- Facilitate community revitalization that will lead to private investment, job creation or retention, establishing or expanding viable businesses, or creating a stronger tax base.

This grant is awarded annually until the Oregon Main Street Revitalization Grant Fund is expended. Grants must be submitted through the Oregon Parks and Recreation Department Grants Online program.

**FINANCIAL INFORMATION:** Grant funds may be awarded for amounts up to \$200,000. Matching funds of at least 30% of the award is required. Match can be in the form of cash, in-kind donations, and/or volunteer time. The match requirement may include necessary project “soft” costs for professional services (i.e. architectural or engineering studies directly related to the project/property). Project costs that occur outside of the grant period do not qualify as match. This is a reimbursement grant, a portion of the work must be completed and a report submitted before the funds are reimbursed to the grantee. 10% of grant funds will be withheld until all grant related work is complete and match is met.

**BUDGET INFORMATION:** Bids and estimates strengthen the grant request when applicable.

**PRESERVATION REQUIREMENTS:** The application must convey that all work will be consistent with the Secretary of the Interior’s Standards for Rehabilitation of Historic Properties. If the building is not historic, the Standards for compatible additions within a historic district apply.
