

PRESERVING OREGON GRANT

2021 INFORMATION

OREGON STATE HISTORIC PRESERVATION OFFICE, OREGON HERITAGE

Preserving Oregon Grant Programs funds are to be used for:

- rehabilitation work on properties listed in the National Register of Historic Places, or
- significant work contributing to identifying, preserving and/or interpreting archaeological sites.

Grants must be submitted through the Oregon Parks and Recreation Department Grants Online program. A Letter of Intent to apply and approval is required to apply for the Preserving Oregon Grant.

FINANCIAL INFORMATION: Grant funds may be awarded for amounts up to \$20,000. **NOTE: Grant funds are still unstable due to the impacts of COVID-19, the total award amount will be determined at the time of the grant awards.**

MATCH: Grants must be matched 1:1 by the grantee. Match can be in the form of cash, in-kind donations, and volunteer time. Match can be in the form of cash, in-kind donations and volunteer time. Rates for volunteer services may not exceed Oregon minimum wage, except in those instances in which the volunteer is using their professional skills for the grant assisted work.

BUDGET INFORMATION: Bids and estimates strengthen the grant request when applicable. If awarded the grant requires at least three estimates for work over \$10,000.

PRESERVATION REQUIREMENTS: The application must convey that all work will be completed using appropriate preservation practices, for example, the Secretary of the Interior's Standards for Rehabilitation of Historic Properties, SHPO regulations for archaeological work, etc.

GRANT REPORTING AND PAYMENT: Awarded projects will be the subjects of binding agreements between the State and the applicants. Typically, grant funds are dispersed on a reimbursable basis. Details of payment arrangements and grant reporting will be provided at the time of award.

HISTORIC PROPERTIES GRANTS ELIGIBILITY, PRIORITIES AND CRITERIA:

- Properties must be listed on the National Register of Historic Places, either individually or as a "contributing" property in a Historic District, to qualify for funding.
- Higher priority will be given to publicly owned resources and private nonprofit resources, and properties that offer the greatest public benefit through visual access and interpretive/educational value.
- Properties that are not publicly owned or nonprofit-owned must have exceptional significance and/or extraordinary public benefit to compete.

- Commercial or depreciable properties that are taking advantage of the federal investment tax credit cannot include these grant dollars in the expenses for the tax credit.
- Interior work will be considered on a case-by-case basis depending on the significance of the interior and its public value.
- All work must meet the Secretary of the Interior's Standards for Rehabilitation of Historic Properties; see <http://www.nps.gov/history/hps/tps/tax/rhb/stand.htm>. Examples of eligible projects include: roof and gutter repair, foundation work, structural stabilization, replacement of deteriorated historic features, and weatherization.
- Remodeling, new additions, or solely cosmetic efforts are not eligible for funding.

The review panel will evaluate each project proposal by the following criteria.

- how significant the work is to the structure's integrity,
- the preservation of character-defining features,
- how well the work plan is developed and described and the corresponding cost estimates,
- how well the project is shown to meet the Secretary of the Interior's Standards for Rehabilitation of Historic Properties,
- geographic distribution and historic significance of the property will be considered in determining project funding, and
- additional evaluation will be based on demonstrated project readiness and the matching dollar share in-hand commitment.

ARCHAEOLOGY GRANTS ELIGIBILITY, PRIORITIES AND CRITERIA:

Priority will be given to field-based research projects concerning the documentation of archaeological sites, structures, and artifacts, including:

- conservation and stabilization of specific archaeological sites and monuments;
- field or experimental testing of new or developing methods and materials for identification or conservation;
- development, testing or implementation of heritage management plans;
- programs promoting public awareness of and education about the value and fragility of cultural resources;
- developing and/or implementing innovative techniques in dating, monitoring, analysis, remote sensing of and predicting locations for archeological sites and artifacts;
- projects that discover or study previously untold perspectives and histories of people frequently excluded from historic interpretation;
- conducting surveys and preparing contexts of archaeological sites
- documenting archaeological resources at risk; and
- preparing National Register nominations of archaeological sites.

The review panel will evaluate each project proposal by the following criteria. The proposed project should:

- provide a significant contribution to the field of archaeology;
- demonstrate a technically sound methodology;
- include a principal investigator who is a professional archaeologist;
- show that it is part of a larger project, or has far reaching results and uses beyond the submission of the product to SHPO;

- disseminate project results effectively; and
- be cost effective given the scope of work and the audience.

Geographic distribution and historic significance of the resource will be considered in determining project funding

LETTER OF INTENT SUBMISSION: Visit the OPRD: Grants Online at www.oprdgrants.org and register to submit the letter of intent. The online letter of intent includes a very short project description, estimated cost, estimated request, and physical location of the property. The project will be reviewed and, if necessary, a site visit will be scheduled. You will receive follow up information or approval to apply following the review. Instructions for OPRD: Grants Online visit our website.
