

Reopening Risk Management

Presented by

Seth H. Row

Miller Nash Graham & Dunn LLP

June 8, 2020

Risk Management Issues

- Risks
 - Risks from employee injury/illness
 - Risks from visitor injury/illness
 - Risks from vendors
- Managing risks
 - Best practices
 - Insurance
 - Contractual risk transfer

Employment Issues

- [Roadmap to Reopening – Employment Guidance](#)
 - Have a plan & clear protocols re employee illness
 - Take steps to prevent spread & keep workplace safe
 - Be aware of protections that may entitle employees not to return to work
 - Make sure that policies, training, and posters are up to date
 - Be proactive about educating on and enforcing non-discrimination and non-retaliation protections
- [COVID-19 Preparedness for Educational Institutions](#)
- [Additional resources](#): government guidance on employment and other issues

Managing Risks

- Risks from visitor injury/illness
 - Signage
 - Enforcement
 - Waivers?
- Risks from vendors – contractual risk transfer
 - Contractual requirements re practices/safety – mirror yours
 - Require *additional insured* status on insurance policy
- Your Insurance
 - Be aware of changes at renewal
 - Increasing use of broad exclusions

Thank You
