

# Murray Main Street-15<sup>th</sup> Annual Trivia Night!

## Trivia Rules:

- 1) Every table is a team. A team consists of only 8 people.
- 2) 7 rounds (categories) with 10 questions each. All questions are worth 1 point – for a total of 70 points.
- 3) Don't worry about spelling, but you must have full answers. No partial credit!
- 4) If a question asks for a name, assume First & Last unless instructed otherwise.
- 5) The judges are only human, and their decisions are final! If you think your team's score is incorrect, please ask nicely and we will review it.
- 6) If you want to challenge an answer, you will have to file a formal request and pay \$15. Forms can be found with the kitchen crew.
- 7) Designate someone at your table to turn in your answer sheet after each round.
- 8) At the end of each round, you will hear theme music. It will play for 90 seconds, which is how long you have to turn in your table's answer sheet. No more sheets are accepted once the music stops. Turn in your sheet at the judge's table to the judge designated for your table number as marked.
- 9) After all answer sheets are in, the answers to that round will be read.
- 10) To keep up on your score refer to the scoreboard which will have a running total score for each table by round.
- 11) **IMPORTANT!** On the bottom of Round #1 answer sheet indicate the total number of correct answers your table will have for the evening. In case of a tie, the team whose guess is closest to their total without going over will be the winner. A perfect score is 70!
- 12) Please keep the talking down while the questions are being read so that everyone can hear them.
- 13) Absolutely no cell phones, etc. allowed – cheaters will clean the kitchen!
