Dear Katie Gauthier,

I am a resident of the City of Maupin and a property owner for 23 years. I am also an elected member of the Maupin City Council. I fully support the proposed rule making of 736-040-0070 regarding the Deschutes River Scenic Waterway as it is currently marked up. Thank you for cleaning up this discrepancy in language between OPRD rules and State Law. Please feel free to contact me if you would like to have further discussion.

Sincerely,

Robert Miles
