Hunting is permitted in several state parks where public safety risk is low, and the activity is subject to Oregon Department of Fish and Wildlife <u>rules and regulations</u>. The proposed rule change will clarify hunting boundaries and create clearly signed "safety zones" where hunting is not allowed. It will also require an OPRD hunting map to be located on the agency website that clearly shows hunting boundaries. A full copy of the proposed amendments is posted on the <u>Proposed OPRD Rules</u> web page.

OPRD appointed members to the advisory committee. Members include representatives of the hunting community, conservationists and officials from ODFW and Oregon State Police Fish and Wildlife Division.

Individuals who require special accommodations to view the meetings should contact Helena Kesch at least three days in advance of the meeting at helena.kesch@oprd.oregon.gov or 503-881-4637.
