**RULE SUMMARY**

Since the park opened alcohol has been banned at Iwetemlaykin State Heritage Site. The temporary ban was placed by the park manager as a result of tribal concerns raised during the planning process for the park. The site is a very special place and as such it was determined that it should be one of the few state park properties where alcohol is prohibited.

While the temporary ban placed by the park manager has been effective, OPRD made a commitment during the park planning process to seek a permanent ban in rule. This rule amendment will add Iwetemlaykin State Heritage Site to the list of parks where possession or use of alcoholic beverages is prohibited.
