SECTION 2. PROGRAM AND POSITION INFORMATION

a. Describe the program in which this position exists. Include program purpose, who is affected, size, and scope. Include relationship to agency mission.

Oregon Parks and Recreation Department (OPRD) fulfills its mission to *“Provide and protect outstanding natural, scenic, cultural, historic and recreational sites for the enjoyment and education of present and future generations”* by operating a system of State Parks Recreation, Historic and Natural Areas; by managing special programs including Scenic Rivers, Recreation Trails, Historic Preservation, and Ocean Shores; and by providing assistance to local governments for recreation and heritage conservation. OPRD serves more than 45 million visitors per year through a State Parks Recreation system of more than 250 park areas statewide. OPRD does this through its vision of *“Taking the long view to protect Oregon’s special places and provide the greatest experience while creating stable future funding”*. OPRD upholds its mission and vision through the following operating principles: *Accountability, Commitment, Empathy, Empowerment, Fun, Integrity, Respect and Well Being*. The agency’s current approved budget information can be found at www.oregon.gov/oprd under *Budget & Facts*.

The **Columbia District** consists of four Management Units composed of 15,255 acres in Marion, Yamhill, Clackamas, Washington, Multnomah, Columbia, Hood River and Wasco Counties. The Columbia District receives approximately 6.82 million day-use visits and 292,000 camper nights annually as of 2025. The district has approximately 59 parks, waysides and recreational area properties. In 2025, the annual revenue from the district was approximately \$3.85 million. The biennial maintenance and operation budget is approximately \$17.5 million. There are 57 full-time positions and 64 seasonal positions. Approximately 61,085 volunteer hours are donated each year.

The Columbia District has a total of 371,000 Maintenance Management Plan (MMP) hours. MMP hours are a recognized standard of responsibility in the parks and recreation industry. As such, MMP hours serve not only as an

index of the size of any sub-unit in a park's department, but also as a measure of its complexity. The MMP hours, combined with other park operational elements, determine the level of operational and management complexity, resulting in the classification level for OPRD Park Managers and Park District Managers.

The Champoeg Management Unit consists of 1500 acres in Marion, Yamhill, and Clackamas counties. There are 94 campsites and 260 day-use table's picnic units, which receive approximately 1.5 million day visits and 25,000 camper nights annually. The annual revenue from the unit is approximately \$1.2 million. The biennial maintenance and operation budget is approximately \$3.2 million. There are 8 full-time positions and 11 seasonal positions. Approximately 22,000 volunteer hours (10.5 FTEs) are donated each year.

Champoeg Management Unit is composed of the following properties: Champoeg State Heritage Area, Molalla River State Park, Bald Peak Scenic Viewpoint, Parrett Mountain Greenway, French Prairie Greenway, and several undeveloped Willamette River Greenway parcels.

b. Briefly describe (usually one or two sentences are sufficient) the primary purpose of this position and how it functions within this program. Complete this statement: The primary purpose of this position is to...

Conduct a specific, major program or facility at the management unit, park district or region level with a high degree of independence and technical expertise in specialized park skills (e.g.: resource interpretation, cultural and natural resource restoration, complex utility operations or maintenance programs, park rule enforcement, visitor services, etc.). The person in this position will coordinate activities across management unit boundaries and will mentor permanent and seasonal employees throughout the park region in specialized skills related to the maintenance and operations of OPRD programs and properties.
