Payment Method

Check or Money Order (payable to OSBEELS) Amount Enclosed:

Debit or Credit Card (Visa, Mastercard, Discover, or AmEx) Total Charged:

Card Number	Exp. Date	Security Code *	Billing Zip / Postal Code

Signature (serves as payment authorization)	Signature Date (M/D/Y)

*** Debit or Credit Card Security Codes**

If submitting a payment to OSBEELS for fees by debit or credit card, provide the security code. These codes are a security feature that appears on the back of most Visa, MasterCard, and Discover cards, and on the front of American Express cards. This code is a three or four-digit number which provides a cryptographic check on the information embossed on the card.

American Express Card Users: Look for the 4-digit code printed on the front of the card just above and to the right of the main card number. This 4-digit code is the card security code. Visa, MasterCard, and Discover Card Users: Flip the card over and look at the signature box. A special 3-digit code will be located in the signature box. This 3-digit code is the card security code.
