Instructions for Filling Out the Application for Registration

NOTE: It is the Applicant’s responsibility to compile and submit all documentation required. Failure to do so will delay the application process and may result in determining ineligibility for professional registration.

The following instructions are provided to assist in completing the application.

Read the applicable Oregon Revised Statutes (ORSs) and the Oregon Administrative Rules (OARs). To locate the ORSs and the OARs, visit our website at oregon.gov/osbeels. Click on the “Revised Statutes” link for the ORSs. Click on the “Administrative Rules” for the OARs.

It is the Applicant’s responsibility to review these requirements before applying to the Board.

This application is not to be used for Structural Engineering registration. To apply for Structural Engineering registration, use the Application for Structural Engineering Registration. Note: You must first be a registered Professional Engineer in Oregon before you can obtain registration as a Structural Engineer. However, you may submit both applications at the same time.

Applicable Fees

The application fees are located in OAR 820-080-0010. Application fees are non-refundable, in accordance with OAR 820-080-0005.

National Council of Examiners for Engineering and Surveying (NCEES) Record

The NCEES Records Program is for individuals who are looking for a simplified approach to complete the licensure process in multiple states. An established NCEES Record will include many of the materials you will need to apply for licensure in Oregon including college transcripts, exam results, experience record and professional references.

Applicants who transmit their records to OSBEELS through the NCEES Records Program (NCEES may charge a transmission fee), should check the “See my transmitted NCEES Record” box at the top of the Education Summary, Exam Summary, Reference Summary, and Experience Summary sections of the application. The remainder of the application must be completed in its entirety.

See the following OARs for detailed information: OAR 820-010-1000, OAR 820-010-2000 and OAR 820-010-3000.

Temporary Permits

OSBEELS may issue a temporary permit to an individual meeting the necessary qualifications to practice engineering or photogrammetric mapping in Oregon upon application for registration, only if the applicant is a registered professional in another jurisdiction.

See the following ORSs and OARs for detailed information: ORS 672.109; ORS 672.127; and OAR 820-080-0010.

**Form I: Social Security Guidelines**

As part of your application for an initial or renewed occupational, professional or recreational license, certification, or registration issued by OSBEELS, you are required to provide your Social Security number. This is mandatory. The authority for this requirement is ORS 25.785, ORS 305.385, 42 USC § 666 (a) (13). Additionally, as a state agency, OSBEELS may use your Social Security number for the purpose of debt collection, pursuant to ORS 293.226(4). This record of your Social Security number will be used for child support enforcement, tax administration purposes (including identification), and collection actions only, unless you authorize other uses of the number. Although a number other than your Social Security number appears on the face of the licenses, certificates, or registrations issued by OSBEELS, your Social Security number will remain on file with OSBEELS.

If, the U.S. Social Security Administration has not issued you a Social Security number, these guidelines must be followed:

1. Complete and sign an Attestation and Request for Exemption from Social Security Number Requirement Form K;
2. You are attesting to the fact that no Social Security number has been issued to you by the U.S. Social Security Administration;
3. You are acknowledging that knowingly supplying false information under this section is a Class A misdemeanor, punishable by imprisonment of up to one year and a fine of up to $6,250.
